

GLIDING THE WATERS OF THE WINDWARD ISLANDS - LUXURY CARIBBEAN CRUISE

The trade winds blow over the Caribbean Sea, sweeping across the spectacular Windward Islands. Aboard Le Ponant, one paradisaical spot follows another in a constantly azure sea: the wild island of Dominica unveils its mangroves full of birds; the Grenadines can be discovered between their immaculate beaches and abundant marine life; and Marie-Galante displays its sun-soaked way of life and legendary friendliness along its idyllic beaches. From the deck, other striking sights appear on the horizon, such as the incredible pitons of Saint Lucia or the iconic sunsets of Les Anses-d'Arlet. Whether you are a lover of the sea or a curious traveller, experience once again the indescribable joy of navigating under sail surrounded by the elements. Take your place aboard Le Ponant, a majestic three-mast yacht with elegant lines and an interior designed by the Jean-Philippe Nuel studio to be a warm and intimate setting with a highly distinctive character. As if you were on your very own yacht, savour the freedom of living in the moment, during this cruise to the heart of the mythical Windward Islands.

ITINERARY

Day 1 POINTE-À-PITRE

At the crossroads of cultures, where European influence mingles with the richness of the Caribbean and the diversity of indigenous traditions, Pointe-a-Pitre promises a unique experience. Here, nestled on the southern coast of the island of Grande-Terre in Guadeloupe, in the heart of the Caribbean Sea, you will fall in love with the heavenly landscapes that reveal themselves to you, including white-sand beaches, verdant

mountains, and lush tropical forests. Along the bustling streets of the city, you will discover Creole authenticity through the colourful markets, the traditional wooden houses, and the warm hospitality of the locals.

Day 2 PORTSMOUTH

With its mountainous terrain, vast tropical forest, hot springs, rivers and spectacular waterfalls, Dominica is undoubtedly the wildest island in the Caribbean. Protected by several national parks, this little-known land, located in the heart of the Caribbean Sea, between Guadeloupe and Martinique, will inspire adventure and exploration. During your port of call, do not miss out on discovering the enchanting landscapes of the Indian River: navigating through this dense mangrove, in which creepers, ferns, forest trees and giant roots are interweaved, is a magical experience, a fascinating voyage into the heart of an almost mystical natural universe.

Day 3 PORT ELIZABETH, BEQUIA ISLAND

In the heart of the Caribbean, Bequia is the second-largest of 32 islands that make up the country of St Vincent and the Grenadines. You will love the lively and picturesque atmosphere of Port Elizabeth, the island's main town. From the port, a promenade lined with beautiful traditional houses, landscaped gardens and small restaurants runs along the shoreline. It leads

to Princess Margaret Beach, a wild beach where Princess Margaret herself has stayed and which seems to emerge directly from the tropical forest. From rainforest to lush meadows and long stretches of sand, Bequia will offer you a natural setting that is conducive to lovely walks and to spending time on the beach.

Day 4 TOBAGO CAYS

Scattered between St Vincent and Grenada, the Tobago Cays comprises five little islands: Petit Rameau, Petit Bateau, Baradal, Petit Tabac and Jamesby. This rosary of uninhabited cays in the southern West Indies is a marine park whose turquoise lagoons provide a home and safe haven for some outstanding marine fauna, including peaceful green turtles. Girded and united by a coral reef, these secluded islands are a peaceful paradise for divers, swimmers and snorkellers.

Day 5 SANDY ISLAND, CARRIACOU

West of Carriacou, the northernmost island in the state of Grenada, is Sandy Island, a spit of sand set in the bewitching Caribbean waters. Known for its powdery white sand and small lagoon with crystal clear waters, this wild islet, dotted with coconut trees, offers a natural setting for swimming and snorkelling. The abundant and colourful marine life promises memorable and thrilling encounters. Listed as a marine

protected area, the site is also a hunting ground for numerous pelicans. Enjoy a fascinating show as they circle above the water before diving suddenly to catch their prey.

Day 6 SAILING ALONG THE PITONS & AT SEA ABOARD LE PONANT & LES ANSES-D'ARLET

You will sail off the coast of the Pitons in Soufriere Bay. The Pitons are two volcanic spires, covered in tropical rainforest, rising side by side from the sea - they are a UNESCO World Heritage Site. The area's volcanic complex includes a geothermal field with sulphurous fumaroles and hot springs. In the marine area, coral reefs are home to very diverse fauna, including hawksbill sea turtles, pilot whales and whale sharks, these harmless gentle giants that you will perhaps be lucky enough to observe by diving in the sea behind the ship.

During your day at sea on board Le Ponant, make the most of your free time and the comfort of your ship for a moment of rest or conviviality. If the weather is right, let yourself be tempted by a spot of sunbathing. This day without a port of call will also be an opportunity to do some shopping in the boutique and share the highlights of your cruise with the other passengers. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining relaxation, sharing and the pleasure of sailing on a yacht.

Lying on the south-western end of Martinique, the charming

town of Les Anses-d'Arlet reveals all the colours of the West Indies: from the azure blue of the Caribbean Sea and the emerald green of the surrounding vegetation to the reds, yellows and purples of the traditional Creole houses. This former fishing village, with its picture-postcard appearance and its typical and peaceful atmosphere, promises a unique interlude during which you will be able to spend moments relaxing on long white sandy beaches, discover local culture and explore the lush nature with its singular biodiversity.

Day 7 MARIE-GALANTE

It is undoubtedly because Marie-Galante concentrates all the charms of the Caribbean into one island that it is today one of the most in-demand destinations in the region. "The island of 100 mills" or the "great galette" as it is sometimes known, in reference to the form of its 15 km diameter limestone plateau, is surrounded by white sandy beaches that are some of the most beautiful in the Caribbean. In Saint-Louis, you can take the time to bathe in its turquoise waters, relax under the palm trees and almond trees or stroll along the colourful streets of the village.

Day 8 POINTE-À-PITRE

At the crossroads of cultures, where European influence mingles with the richness of the Caribbean and the diversity of

Le Ponant becomes world's first sailing yacht to obtain Relais & Chateaux label After four years of regular ad hoc partnerships, PONANT and Relais & Chateaux are strengthening their ties. The three-master joins the large family of Relais & Chateaux establishments as a new member. It is the first sailing yacht in history to obtain the label and be included in its catalogue of the finest travel addresses in the world. In 2019 & 2020 Le Ponant underwent a huge revamp. Her capacity was reduced from 64 to just 32 passengers who will be served by a crew of 34. Following in the nautical tradition of three-masted sailing ships, Le Ponant will take you on a voyage of discovery. The ship provides intimacy and convivial atmosphere and the refined life on board, the welcoming charm to your cabin, the lounges and the restaurants setting are invitations to relax. Le Ponant is one of the most majestic sailing vessels in the world. With 16 spacious cabins and suites, one crew member per passenger, a dedicated chef, and authentic and exclusive experiences to be enjoyed at every stop, designed for and with you, the ship redefines the concept of luxury yachting and promises you an extraordinary experience. In addition to its tasteful and refined design by Jean-Philippe Nuel, it has many innovative and

environmentally friendly amenities. Conserving the environment is one of our priorities. We have therefore chosen to invest in innovations and equipment at the cutting edge of technology, with the aim of achieving the highest standards possible in the sector. Le Ponant is the only yacht in the world with a hybrid propulsion system. This uniquely designed three-masted schooner can rely solely on its sails but also can connect to the electricity network in certain ports to limit its ecological impact. On board, we have banned the use of plastic in straws, laundry bags, cups and individual food portion packaging. Packaging is collected from our warehouses. Unavoidable plastic waste is sorted and entrusted to resource-recovery companies, who monitor its traceability until its elimination. Le Ponant is equipped with a complete desalination and wastewater treatment system. This biodegradation process works without the use of chemicals. It provides clean water and meets the highest quality standards. On board, 60% of packaging is recycled, while the rate elsewhere in the world is only 20%. The rest is 100% traced. We have on-board compactors adapted to each type of waste and are working to optimise their management on land. Under full sail, gliding over the sea with the wind, you will fall under Le Ponant's spell. Please click the following links to read more about Ponant and the other Ponant
