

GRAND OCEAN SPRAY 8 DAY GALAPAGOS CRUISE A

This 7-night Galapagos Islands cruise aboard the Grand Ocean Spray explores the archipelago's most wildlife-rich regions through a carefully balanced route of landings and water activities. Beginning on Baltra and ending on San Cristobal, the itinerary circles the western and central islands, with extended time around Isabela and Fernandina for encounters with endemic species shaped by volcanic landscapes and nutrient-rich waters. Daily excursions combine guided walks, snorkeling, kayaking, and dinghy rides, offering close observation of giant tortoises, marine iguanas, seabirds, and sea lions while maintaining strict National Park standards for conservation and access.
