island shore. A white sand beach and crystal-clear waters are part of this enchanted location.

DAY 3. MONDAY

Post Office Bay

Or you will go to the Post Office Bay, leave your letter for a loved one! This used to be a legendary post barrel that whalers historically used to post their mail in.

Cormorant Point

Or visit Cormorant Point where you will land on a green olivine sand beach. Following a 100 meters long path you will soon reach a lagoon with flamingos.

Devil's Crown

Devil's Crown that is an underwater volcanic crater, almost covered completely by Galapagos waters of Floreana Island. Here we will have the opportunity to snorkel with sharks, sea turtles and rays

DAY 4. TUESDAY

Black Turtle Cove

There might be sharks, sea turtles, herons, or even a school of Golden Rays gently gliding through the water as we appreciate it from our pangas

Bartholomew Island

Home to the iconic, pointy Pinnacle Rock. The beaches at the foot of the Pinnacle Rock are excellent for snorkeling. You'll get to snorkel with penguins!

DAY 5. WEDNESDAY

Genovesa Island, Darwin Bay

Darwin Bay, the long-eroded remnants of a prehistoric volcanic crater, here colonies of the Great Frigates are found along the beach and Red-footed boobies nest in the trees.

Genovesa Island, El Barranco

A carved out of stone stair. During this easy stroll you will cross a small Scalesia forest, habitat of the short-eared owl.

DAY 6. THURSDAY

Espumilla Beach

Or a visit to Espumilla Beach will take place. It is a pristine sandy beach and a popular place for marine iguanas, Sally Lightfoot Crabs, herons and octopi.

Buccaneer Cove

Pirates and whalers used to stop in Buccaneer Cove to repair their ships, take on fresh water, and capture tortoises for food. Now, it is a nice place for a zodiac ride, snorkeling and kayaking.

Egas Port

Once the site of a salt mine, but now this impressive black sand beach is an excellent location for snorkeling and observing shorebirds, and marine iguanas.

DAY 7. FRIDAY

North Seymour Island

It contains the largest colony of magnificent frigate birds in the Galapagos. There is also a large population of blue-footed boobies that perform an amusing courtship dance

Santa Cruz Island - Highlands

Admire the famous giant tortoises in the wild. Varied wildlife, and other geological surprises, such as sinkholes and massive lava tunnels.

Charles Darwin Research Station

Charles Darwin Research Station, the tortoise breeding station, you can encounter tortoises of different subspecies, which are prepared for reintroduction.

DAY 8. SATURDAY

Mosquera Islet

Lava gulls, sea lions, Sally light foot crabs inhabit this sand bank with an extension of over 600 meters. It also hosts the largest populations of sea lions and orca whales

Baltra Island Airport Departure

After this last visit, transfer to Baltra airport for your return flight to mainland Ecuador. Assistance and farewell at the airport.
