Day 2 Olympia, WA

Olympia, the capital of the State of Washington, is the oldest settlement in Western Washington, with an eclectic mix of historic and modern architecture. Rich in history, the city has a variety of specialty shops, theaters, coffee houses, and galleries. At the lower end of Puget Sound, Olympia has a boardwalk ideal for a leisurely stroll along the water and is home to one of the best Farmer's Markets in the state.

Day 3 Tacoma, WA

Rooted in the arts, Tacoma is a vibrant urban city alive with culture. A perfect mix of old and new, the cityscape is a blend of historic architecture amidst urban design. Discover its eclectic mix of restaurants and one of a kind boutiques. Tacoma's Museum District houses six world class museums all within walking distance from each other. Art aficionados can explore exhibits ranging from an impressive collection of world-renowned glass glasswork to historical masterpieces and classic automobiles.

Day 4 Cruising the San Juan Islands

Your cruise is as much about the journey as it is about each destination. Today is a day to revel in the scenery as we make our way through the San Juan Islands. As we travel, whales, eagles, and seals adorn the backdrop of the Olympic and Cascade Mountains. You can listen to our onboard expert point out wildlife as we cruise or you can just sit back and enjoy the sun on the top deck.

Day 5 Anacortes, WA

Anacortes is home to Deception Pass, one of the most photographed places in the Northwest. See the pass from the water, or explore on easy walking trails along the shoreline. Leave some time to visit the town, just a few steps from our dock. After dinner, the Fidalgo Swing Band will join us for an evening of swing in the main lounge.

Day 6 Friday Harbor, WA

Friday Harbor is a beautiful, walkable seaport with small shops and turn of-the-century buildings. Experience island life as it was over a century ago by visiting the San Juan Historical Museum or the Whale Museum. At the Whale Museum you can learn about Spirit, the orca whale American Cruise Lines adopted during our first season on Puget Sound.

Day 7 Port Angeles, WA

Located along the Olympic Peninsula, Port Angeles is a vibrant coastal community which was recently named one of the "top 100 best small towns" to live in. The popular city pier area offers visitors access to many local coastal attractions, while the majestic Olympic National Park serves as a picturesque backdrop. You'll have the opportunity to discover local artisan galleries and sample some of the finest seafood in the Pacific Northwest.

Day 8 Victoria, BC

The only Canadian town on our cruise, Victoria is a wonderful place to spend a day on a guided tour through the magnificent Butchart Gardens and lively waterfront. The tour begins from our berth in Port Angeles, continuing to Hurricane Ridge with vast views of the Strait of Juan de Fuca and the mountainous wilderness of Olympic National Forest.
