THE GREAT ADVENTURE

An 18-day trip in the southernmost waters of our planet, between Antarctica, a continent like no other, and the mountainous South Georgia, is what PONANT is offering you with this fabulous expedition cruise. The stunning icy landscapes, the emblematic and abundant fauna of the Far South, and the history of the great polar expeditions combine, promising a thrilling experience. At the border between the Atlantic and the Pacific Ocean, you will enter Drake Passage. At the roaring fifties and the screaming sixties, the wind blows and the waves beat against the stem of the ship. In the sky, cape petrels lead you toward their realm until you reach the first of the continent's lands. Ice is there in all its forms. The mountainous landscapes open up to give way to huge calving glaciers, tabular icebergs drift in the middle of the Southern Ocean, and the sea ice shimmers in the distance. On board, the naturalists reveal to you the secrets of this unique ecosystem. As you near the shores, the first penguins appear. Gentoo, Adelie, Chinstrap, these surprising birds, emblematic of the Antarctic, share their beaches with leopard, crabeater and Weddell seals. Further south, your ship will reach the remote waters of the Weddell Sea. You will travel back in time in the wake of Sir Ernest Shackleton's expedition. Not far from there, his crew remained for four months on Elephant Island to await rescue after their ship, the Endurance, sank. More than a century after this mythical adventure, you will follow the same route to reach South Georgia. It is there, amid the snow-covered mountains, that Sir Ernest Shackleton miraculously ran aground in 1916 after a difficult two-week sea journey from Elephant Island. The museum commemorating this legendary expedition will teach

you more about this fabulous saga, and the visit to the former whaling station will immerse you in the life of that little-known period. Today, it is king penguins, elephant seals and fur seals that have invaded the black-sand beaches dominated by the tall peaks that reveal the

Scotia Arc.

unlikely and the inaccessible...

Days 3 - 4 CROSSING THE DRAKE PASSAGE

Use your days spent in the Drake Passage to familiarise yourself with your ship and deepen your knowledge of the Antarctic. The Expedition Leader will first present the IAATO rules of conduct that must be observed during landings in the region and will explain everything you need to know about the zodiac outings. Lectures about the history and wildlife of the Antarctic will be an opportunity for you to learn more about this magical region, where every cruise is a unique experience. From the ship's bridge, you will experience exceptional sailing moments before joining the naturalist-guides on your ship's exterior decks to look out for albatrosses, cape petrels, and other seabirds flying over the Drake Passage.

Days 5 - 8 ANTARCTIC PENINSULA

Succumb to the magic of a place unlike any other. To this day, the mythical Antarctic Peninsula still holds real fascination and promises its visitors unforgettable moments. Throughout your adventure in this icy realm, you will find yourself in the heart of a spectacular decor in subtle shades of blue and white, surrounded by exceptional wildlife. Penguins, humpback whales, seals and giant petrels are at home here, as are elephant seals, fur seals, Antarctic minke whales, and orcas. Depending on which sites you will be lucky enough to visit, you may get the chance to observe them and share with them the beauty of these extreme parts. Each day, based on ice conditions, the Captain and the Expedition Leader will suggest zodiac outings or landings to discover the infinite riches of the Antarctic Peninsula. Glaciers, ice floe, tabletop icebergs, mountain peaks that plunge straight into the sea, volcanic beaches, research stations, enchanting bays, and vestiges of the whaling industry:

these are the faces of the Antarctic that will likely reveal themselves to you, in a hushed and surreal atmosphere. You will sail in the wake of Jean-Baptiste Charcot, Adrien de Gerlache and Sir Ernest Shackleton, great Antarctic explorers who, from the 19th century, set out to conquer these remote and uninhabited lands.

Days 9 - 10 AT SEA

During your day at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This day without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Days 11 - 13 SOUTH GEORGIA

Aboard your ship, discover South Georgia, a region formed by an underwater mountain chain that extends from the Andes to the Antarctic Peninsula. All the wildlife of the Far South can be found there: king and Gentoo penguins, elephant seals, fur seals... You might get the chance to discover the majestic glaciers of Gold Harbour and the vast plains of Fortuna Bay. If you are fortunate enough to land at Salisbury Plain, you can expect a wonderful spectacle: more than 300,000 king penguins, which you will recognise by the bright orange mark on their head and neck, have taken up residence there.

Day 19 BUENOS AIRES

A port city built on the south-western shore of the Rio de la Plata, between the Atlantic Ocean and the vast Argentine Pampas, Buenos Aires is a unique city in Latin America. Nicknamed "the Little Paris of South America", the Argentine capital is a clever blend of architecture with European influences and a joyful Latin American atmosphere. Designed on an orthogonal grid plan, it has 48 districts, all of which are as charming as they are different, with a range of styles such as Belle Époque, gothic and baroque. With its markets overflowing with treasures, its legendary cultural and architectural heritage, and tango providing its background music, the Argentine capital will delight you on every street corner.

Please Note:

We are privileged guests in these extreme lands where we are at the mercy of weather and ice conditions. Landings on certain sites and the observation of certain wildlife cannot be guaranteed. They vary from day to day, making each PONANT

cruise a unique experience. The Captain and the Expedition Leader will make every effort to ensure that your experience is as rich as possible, while complying with the safety rules and instructions imposed by the IAATO.
