Light, spacious and comfortable, she is also capable of reaching the wildest, most naturally rich places on the coast. Her small size and guest numbers provide an authentic, human-scale experience that respects the carrying capacity of coastal inlets and communities. Ship And Accommodations Find comfort and solitude in your private cabin or enjoy time in any of the interior or outdoor lounges, or the "open" bridge. Cascadia's large windows bring the outside in, and her separate dining area becomes a sophisticated "long table" event for meals. Her decks are wide and welcoming, with seating areas on different levels. Salon Large windows surround the salon making it a perfect place to look for whales while staying protected, chat with other guests while lounging on our comfortable sofas, or enjoy a beverage from the nearby bar.
