

EXPEDITION TO GREENLAND, LAND OF NORTHERN LIGHTS

Embark on the Greenland in Depth luxury cruise, a round trip beginning and concluding in Kangerlussuaq. Over eight days, this extraordinary journey navigates the stunning coastal landscapes, allowing you to witness towering glaciers. The voyage offers breathtaking views of Disko Bay and its gleaming icebergs, providing an immersive experience of the world's largest island's unparalleled beauty. Throughout this fascinating itinerary, you'll see remarkable places like Evigheds Glacier, where the icy grandeur of the Greenland Ice Sheet captivates. Visit the remote village of Uummannaq, nestled on a tiny island at the foot of the striking Heart Mountain. Your exploration of Ilulissat, the Icefjord capital, offers insights into local culture with sights of thousands of colossal icebergs calving into the sea from the Sermeq Kujalleq glacier, a UNESCO World Heritage Site. In Qeqertarsuaq on Disko Island, marvel at volcanic landscapes and the Lyngemark Glacier. Engage in thrilling activities during your voyage, including optional kayaking with the expedition team, providing a closer connection to this unique environment. As you journey through magnificent fjords, the potential to observe Arctic wildlife, such as humpback whales, enriches your cruise experience. This Greenland in Depth luxury cruise promises adventure, culture, and nature, offering unforgettable encounters at every enchanting stop.

ITINERARY

Days 0 - 1 Pre Cruise & Kangerlussuaq

Charter flights to the port of embarkation/disembarkation

One night pre-cruise accommodation with breakfast in a 4/5-star hotel (exemptions apply)

Once a WWII airbase at the head of Kangerlussuaq Fjord, Kangerlussuaq's history is told at the airport's museum, showcasing Inuit artefacts. This ice-filled glacial area and tundra is a haven for wildlife, including reindeer, arctic foxes, arctic hare, gyrfalcons and around 10,000 muskoxen.

Day 2 Evigheds Glacier

The Evigheds Glacier, a majestic outflow from the Greenland Ice Sheet, carves through the dramatic Kangerlussuatsiaq Fjord, also known as Eternity Fjord. This 75-km-long waterway is a haven for wildlife, with white-tailed eagles and black-legged kittiwakes soaring above. Calving icebergs showcase Greenland's raw beauty, but sadly like many glaciers, it is slowly retreating due to global warming's impact on this fragile Arctic ecosystem.

Day 3 Qeqertarsuaq

Qeqertarsuaq is the largest town on Disko Island, Greenland's largest island, on its west coast, part of Disko Bay, a UNESCO-listed site for its icebergs. The Lyngemark Glacier rises above the town. The area's hills, basalt columns and black sand beaches reflect its volcanic origin. The area is fertile and home to species not found elsewhere in Greenland. Keep an eye out for its hot springs as we move through floating icebergs.

Day 4 Uummannaq

The word Uummannaq means 'heart-shaped' in Greenlandic and refers to the twin-peaked granite mountain shaped like a heart, which covers nearly the whole northern half of the island. Folklore has it that a piece of your heart remains on the island forever, calling you back. Sheltered by glaciated mountains, this charming fjord region is referred to as the sunniest spot in Greenland and has been a refuge for Inuit migrations for over 4,500 years.

Day 5 Eqip Sermia Glacier

Eqi Glacier, or Eqip Sermia in Greenlandic, is one of Greenland's largest and most active calving glaciers, spanning nearly 4 km wide and towering over 200 m. Visitors can almost always witness calving, where pieces of ice break off the glacier's face, creating deafening bangs and giant splashes that send waves across the bay. The contrast between thunderous calving and the ensuing silence provides a glimpse of Greenland's dynamic icy landscape.

Days 5 Disko Bay

Known for its Inuit culture, whales, and icebergs, Disko Bay is a UNESCO World Heritage Site located in Western Greenland. The bay is also home to the Ilulissat Icefjord, one of the fastest-moving glaciers in the world. First visited by Europeans in 1596 in search of a Northwest Passage to Asia, the region has been inhabited by Inuit communities for centuries. The village of Qeqertarsuaq embodies thriving Inuit traditions, preserving a rich and evolving cultural legacy.

Day 6 Ilulissat, Disko Bay

Sailing through the iceberg capital of the world to Disko Bay, the Ilulissat Icefjord is one of the cruise highlights. Given UNESCO World Heritage Site status, the Ilulissat Icefjord is a popular tourist destination, and thanks to the productive Sermeq Kujalleq glacier, thousands of gargantuan icebergs calve from the Greenland ice cap into the sea. The city of Ilulissat is home to many sled-dogs.

Day 7 Sisimut

The second largest town in Greenland, just above the Arctic Circle, Sisimiut remains remarkably ice free in winter and is known as an adventure sports hub all year round. Inhabited for more than 4,500 years by the Dorset, Thule and eventually the Inuit people, dog sledding remains a vital form of transportation. The area is home to humpback whales and Arctic foxes in their summer coat.

Day 8 Kangerlussuaq

Once a WWII airbase at the head of Kangerlussuaq Fjord, Kangerlussuaq's history is told at the airport's museum, showcasing Inuit artefacts. This ice-filled glacial area and tundra is a haven for wildlife, including reindeer, arctic foxes, arctic hare, gyrfalcons and around 10,000 muskoxen.

Charter flights to the port of embarkation/disembarkation

PASSENGER CAPACITY:

BUILT/REFURBISHED:

Launched in 2022, this state of the art ship has been designed to journey to off the beaten path destinations and remote polar regions in style and comfort. The ship incorporates a PC5 ice-strengthened hull combined with extra-large stabilisers to make your journey as smooth as possible. Sophisticated Elegance. We know how important outdoor space is, so our spacious, relaxing public spaces provide wide open, unobstructed views throughout the ship. The destination will always be in view. Your Wellbeing. The safety & happiness of our guests is paramount to our 120-strong crew on board as well as our passionate expedition team who'll be serving up thrilling shore excursions and lasting memories. Cabin Types. Our 76 cabins including 6 suites have all the amenities you will need to feel comfortable including dressing gowns, hairdryers, personal safes and minibars. Our stylish cabins all have desks, a dressing area and comfy seating. En suite bathrooms all feature glass-enclosed rain showers. Wheelchair access Guests who use wheelchairs must bring their own, as we have only a small number of wheelchairs stored onboard for emergencies. To ensure ease of movement on the ship, wheelchairs and mobility aids must be no wider than 65cm. All mobility or medical equipment brought on board must be capable of being carried safely and must be declared before sailing. To ensure that all guests can safely evacuate during an emergency, guests requiring a wheelchair can only be accommodated in our ADA-accessible cabins. We offer an Oceanview stateroom on Vega which is specifically designed to be completely ADA compliant and have a fully operable wheelchair-access wet unit. Vega has two lifts, serving every passenger deck apart from the Stargazing top deck, which is, therefore, more difficult to access, as are the Aft Marina and Swan's Nest forward observation platform. Also, we don't have special equipment to access the swimming pool, jacuzzi, or sauna. Otherwise, the ship is entirely at your disposal. Many of the expeditions ashore in remote places are by Zodiac. Boarding these boats and returning aboard can present challenges for wheelchair users, as can navigating uneven terrain. These challenges are by no means always insurmountable, though, and our highly experienced crew is trained to provide reliable advice and assistance. They will make every effort to ensure wheelchair-using guests enjoy a memorable experience at each destination. Our general guidance, however, is to recommend wheelchair users travel with a companion for their ease and enjoyment. If you prefer to remain aboard, our panoramic interiors and ample open decks ensure an immersive, intimate experience of your inspiring

surroundings.
