GREENLAND & WILD LABRADOR: A TORNGAT MOUNTAINS ADVENTURE CRUISE

Embark on a breathtaking journey that takes you through some of the most remote and awe-inspiring regions of Greenland and Canada. Begin your adventure in Kangerlussuaq, Greenland, sailing through the majestic fjords surrounded by towering glaciers and mountains. Witness the captivating natural beauty of Kangerlussuatsiaq Fjord, aptly named the "Fjord of Eternity," with its calving glaciers, cascading waterfalls, and bird cliffs. Discover the vibrant culture of Nuuk, Greenland's capital, where traditional Inuit heritage meets modern city life, and explore the Greenland National Museum, historic harbours, and charming cafes. As you cross the Davis Strait, engage with Inuit culture through interactive workshops and performances while keeping an eye out for whales and seabirds. Continuing into Canada, immerse yourself in the raw wilderness of Torngat Mountains National Park, where dramatic tundra landscapes and fjords await exploration by hiking and Zodiac cruises. Visit the historic Moravian mission site of Hebron and connect with poignant stories of the past, followed by a warm welcome in the Inuit community of Nain. Discover the rich cultural history of L'Anse aux Meadows, the only authenticated Viking settlement in North America, and explore Newfoundland's picturesque coastline, dotted with quaint fishing villages and stunning vistas. Conclude your adventure in St. John's, Newfoundland, a vibrant cultural hub where you can photograph colourful houses, historic landmarks, and the iconic Signal Hill before bidding farewell to this unforgettable journey.

ITINERARY

Day 1: Kangerlussuaq, Greenland

Cross the Arctic Circle

Begin your journey by sailing out of Kangerlussuaq Fjord (Søndre Strømfjord), a 190-kilometre-long fjord surrounded by

info@small-cruise-ships.com | small-cruise-ships.com

small-cruise-ships.com

info@small-cruise-ships.com

mountains and glaciers.

Cross the Arctic Circle on your way and spend time on deck watching for aurora borealis.

Kangerlussuaq, the settlement at the head of the fjord, is a former US Air Force base.

After your charter flight from Toronto, ON, you'll transfer to the ship by Zodiac.

[Day 2: Kangerlussuatsiaq Fjord \(Evighedsfjorden\)](#)

Take a Zodiac Cruise at the Foot of a Glacier

Kangerlussuatsiaq means "the rather big fjord" in Greenlandic, while the Danish name Evighedsfjorden translates to "the fjord of eternity," underscoring its vastness and seemingly never-ending nature.

See why Kangerlussuatsiaq Fjord lives up to its name and marvel at this complex coastal waterway that includes calving glaciers, sheer bird cliffs, and streams cascading against a towering mountain backdrop.

Explore this sublime glacial landscape by ship and by Zodiac.

The waters here are relatively warm, due to the West Greenland Current and the subarctic location.

[Day 3: Nuuk](#)

Visit Museums, Shops, and Cafes

Stop in at vibrant Nuuk, the capital of Greenland.

Visit the Greenland National Museum, one of the city's many outstanding features, where the world-famous Qilakitsoq mummies rest.

The old harbour includes many buildings dating from Danish colonial days, while contemporary Nuuk is known for art, shopping, pubs, and cafes.

[Day 4: At Sea – Davis Strait](#)

Learn From Inuit in Their Homeland

Deepen your understanding of the environment, cultures, and history of the region as we sail across the Davis Strait towards Labrador. Get the privileged opportunity to engage with and learn from Inuit in their homeland.

Enjoy workshops and presentations, watch a documentary, and get out on deck! Try your hand at athletic feats during an interactive cultural performance of Inuit games.

Through shared experiences and interactions, develop a deep appreciation for the culture and gain a connection to the stunning landscapes we traverse.

Keep your binoculars ready to spot whales and seabirds who follow in our wake.

[Day 5-8: Torngat Mountain Range, NL, Canada](#)

Hike the Mountainous Tundra and Spot Wildlife

Spend four days exploring an area of treeless, mountainous

The Small Cruise Ship Collection

small-cruise-ships.com

info@small-cruise-ships.com

tundra in Torngat Mountains National Park, where some of Canada's highest peaks east of the Rockies are found.

Enjoy your time hiking, visiting archaeological sites, and Zodiac cruising. Here, Inuit of Nunatsiavut will be your guides in their spiritual homeland.

Inuit of Nunavik and Nunatsiavut play a key role as partners in the management of Torngat Mountains National Park, and many see the park as a portal for better understanding of Inuit culture.

The word Torngat is derived from the Inuttut word tongait, meaning "place of spirits," where Inuit shamans travelled to connect with higher powers. It is not hard, even for a visitor, to feel the power of the place.

Marvel at the gorgeous fjords, landscapes ablaze with autumn colours, and wonderful wildlife sighting opportunities, including the possibility of both polar and black bears.

Day 9: Hebron

Ponder Poignant History

Step back in time to the historical site of Hebron, which preserves a Moravian Mission station dating from the 1830s.

Call in at the old church, where Inuit who resided here in 1959 learned of their forced relocation.

Take a moment to let history sink in and read the plaque that commemorates this history and the apology to people affected by the relocations, issued by the government of Newfoundland

and Labrador in 2005.

Listen to the stories shared by our guides and meet former Hebron residents and their kin who continue to visit the site and to hunt and fish nearby.

Day 10: Nain

Experience an Inuit Hamlet

Visit Nain, the most northerly community in Labrador and the administrative capital of Nunatsiavut.

Stop in at the historic Moravian church, enjoy the brass band, and visit Illusuak, the stunning cultural centre.

Expect a warm welcome and the opportunity to peruse arts and handicrafts at this dynamic visit.

This will be your first chance to see trees since the start of your journey!

Day 11-12: The Labrador Coast

Enjoy Hiking and Zodiac Cruises

As we continue south the rugged peaks of the North give way to rolling, forested hills and tranquil inlets. Hundreds of rocky islets interrupt the open Labrador Sea, offering some shelter for vibrant Inuit communities where traditions endure and stories flow with the tides.

The modern-day cultural mix of this area makes for a rich blend of stories about both different and shared values, resilience, and the universal love of the land and sea.

Conditions allowing, we'll embark on expedition landings and Zodiac cruises led by our expedition team. Their expert guidance ensures both your safety and a deeper appreciation of the coastal barrens, boreal forests, wetlands, and rugged shorelines of this remarkable region.

Come with an open heart, leave with a new understanding of these magnificent Labrador shores.

Day 13: L'Anse aux Meadows

Immerse Yourself in Viking Archaeology

Wander through the reconstructed Viking habitation at L'Anse aux Meadows, a UNESCO World Heritage Site and the only authenticated Norse settlement in North America.

Learn more about the archaeological remains that date to approximately 1000 CE, and how--amazingly--the site was first found here in 1960 by a close reading of the Viking sagas.

Be sure to visit the superb interpretation centre and meet the actors in period costumes as you make your way through the reconstructed Norse-style sod buildings. This is a must-see for any visitor to Newfoundland and Labrador!

Day 14: Northeast Newfoundland

Experience Newfoundland's Legendary Charm

The northeast coast of Newfoundland is known for the dozens of picturesque villages that dot its rocky shores, and we'll find harbour in one of these unique communities. We look forward to a characteristically warm Newfoundland welcome upon our arrival. Photographers will have their work cut out for them

capturing the special charm of classic island architecture.

Day 15: St. John's, NL, Canada

Wave a Fond Farewell

Welcome to St. John's--the vibrant capital of Newfoundland and Labrador.

Complete your journey by sailing into historic St. John's harbour, looking out for Signal Hill as you enter the world-famous Narrows.

Photograph the charming houses of the Battery, always a hit with shutterbugs.

Say your farewells in this cultural hotspot and what is sometimes called North America's oldest city.

Please note:

Itineraries are subject to change.

YOUR SHIP: OCEAN NOVA

YOUR SHIP: **Ocean Nova**

VESSEL TYPE:

LENGTH:

PASSENGER CAPACITY:

BUILT/REFURBISHED:

The ice-strengthened 73 metre long expedition ship Ocean Nova was built in Denmark in 1992 with high ice class to serve Greenland's west coast. In 2004 to 2005 she was completely refurbished and has now a career as a small and comfortable expedition ship. The Ocean Nova accommodates 86 passengers in single, double and triple cabins, all with sea-view and private facilities. The double cabins have either twin beds. The triple cabins have upper and lower beds. In your cabin you will also find a desk with chair and ample storage space for clothes and equipment. In the dining room you are treated to delicious meals in between landings and in the panorama lounge you can enjoy a drink with a breathtaking view of the surrounding polar landscape. This is where on board specialists entertain and educate you with lectures on polar biology, history, geology and conservation. There is also a library with panoramic views and a good selection of polar books. On board there is a satellite phone, gym and medical doctor. Passengers are welcome on the bridge around the clock and there is always something to see or search for from the spacious observation decks. The ship has North European officers and there is a friendly and informal atmosphere on board. Travelling with this small expedition ship

offers an entirely different experience and perspective than you can get on a larger and more conventional cruise ship. Cabins are spread over two decks and include cabins for the single traveller, double and triple cabins, all with sea-view and private facilities. The comfortable dining room located on the Upper deck seats all passengers in a single sitting and offers delicious meals with a mixture of table service and buffet. The informal dining arrangement adds to the friendly atmosphere onboard and meals are a great chance to discuss all you have seen with your fellow travellers, and for the expedition team to share their knowledge. With one of the highest ice classes (1B) and a 2000 hp diesel engine, Ocean Nova is a small but sturdy expedition vessel just as at home in the icy waters of Svalbard as she is in a tranquil Scottish loch. The ship has a crew of 34, including North European officers, whose prime concern is your safety as well as ensuring wildlife sightings and weather conditions are maximised. For your safety there are two fully enclosed lifeboats and a medical
