## HIDDEN TREASURES OF NEW CALEDONIA - FROM AUCKLAND TO CAIRNS

The traces and vestiges of an ancestral past, the turquoise blue of the ocean, the gleam of the lush vegetation... the islands of the Pacific Ocean are strikingly beautiful. Over the course of a unique and unforgettable 16-day cruise aboard *Le Jacques-Cartier*, fall in love with these treasures of the South Pacific, their ancient local cultures, verdant landscapes and exceptional marine environments. Throughout your journey, you will benefit from an excursion included per person per port of call, to choose from a selection offered by PONANT. During this cruise, set off to discover Napier, New Zealand's Art Deco city, appreciate a visit to a vineyard with wine tasting on Waiheke Island or explore Lake Rotoiti by kayak. The diversity of experiences on offer promises you intense and varied moments (to discover the full range of excursions, go to the itinerary tab). The shores of the historical and dynamic city of Auckland slowly disappear from view. Cruise a little further north until Waiheke Island appears on the horizon. Succumb to the charms of its green lands, its heavenly beaches, and its vineyards and olive groves stretching as far as the eye can see. Further north, the Bay of Islands is a historical treasure just begging to be discovered. It was here that in 1840 the Treaty of Waitangi, New Zealand's founding document, was signed between representatives of the British Crown and a number of Maori chiefs from the northern part of the North Island. *Le Jacques-Cartier* will now make its way northward and call at Australia's Norfolk Island, used in the 19th century as a British penal colony for the most dangerous prisoners. The ruins from the convict era are now on UNESCO's World Heritage list. There, you will also discover lush vegetation lining the magnificent

Emily Bay Lagoon, where Norfolk pines, an endemic species and the symbol of the island, are grown. As you cruise along the warm ocean waters, you will continue to experience a sense of wonder at the vastness before you and New Caledonia will begin to appear on the horizon. The capital of the archipelago, Noumea, awaits you with its verdant peaks for an exceptional experience. In the heart of the city, you will be able to wander along the Place des Cocotiers, where the locals love to meet up, and you will discover all the secrets of the Kanak culture at the Tjibaou Cultural Centre. You will then be awestruck by the stunning Loyalty Islands, Mare and Lifou, their picture-postcard landscapes and their Kanak heritage, during a traditional ceremony and tasting of local products. Amedee Islet, a small and idyllic island lying just off the coast of Noumea, is known for its heavenly beaches, its marine reserve, and its emblematic, eponymous lighthouse, which is the tallest metal lighthouse in the world and stands guard over the entrance to the harbour of the New Caledonian capital. Next, your ship will set a course northward to reach Cairns, where this unforgettable journey will draw

to an end.

sea. It is one of the few cities in the world to have two separate harbours : Manukau Harbour on the Tasman Sea and Waitemata Harbour on the Pacific Ocean. You will understand why Auckland is known as "the City of Sails" when you see the forest of masts in the marina. The 328 metre-high Sky Tower offers splendid views of the city. Surrounded by dormant volcanoes such as Mt Eden, Auckland is noted for its abundant nature and magnificent black-sand beaches. A blend of Maori, European and Asian cultures give the city a vibrant atmosphere.

### Day 2 WAIHEKE ISLAND

In the Hauraki Gulf, Waiheke Island is a pristine naturel gem just 35 minutes from the city of Auckland on the North Island of New Zealand. The stunning beaches of its languid bays and the undulating landscapes forming the heart of the island perfectly illustrate the easy way of life here. This land surrounded by sea and bathed in light enjoys a mild climate that is conducive to a thriving agriculture, composed mainly of olive groves and vineyards. Somewhat reminiscent of Tuscany, the island is renowned for its wines. Here, Bordeaux grape varieties have found the ideal conditions for developing a rich palette of aromas. A symbol of New Zealand's easy lifestyle, Waiheke also boasts a rich arts scene.

### Day 3 BAY OF ISLANDS

The Bay of Islands is truly a natural paradise, a jewel hidden in the South Pacific. Its deep-blue waters caress the beaches of golden sand as lush islands with verdant peaks emerge from the sea to form captivating scenery. It was here that in 1840 the

Treaty of Waitangi, New Zealand's founding document, was signed between representatives of the British Crown and a number of Maori chiefs from the northern part of the North Island.

### Day 4 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

### Day 5 NORFOLK ISLAND

This unspoilt South Pacific island lies off Australia's east coast. The choice is yours: relax on its deserted beaches or dive among the multi-coloured fish and corals of Emily Bay lagoon. Norfolk Island National Park is the place to see parrots hidden under the araucaria branches and tree-ferns. The lookout perched at the top of Mount Pitt offers you a 360-degree panorama of sparkling coastline. Discover more about the island's turbulent history at the Norfolk Island Museum in Kingston, one of

Australia's oldest towns.

### Day 6 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

### Day 7 NOUMÉA

Perched on a peninsula between bays and hills, on the south-west coast of Grande Terre, Noumea enjoys a magnificent natural setting. The town shelters some exceptional biodiversity, thanks especially to the coastal mangroves. To feel the town's heartbeat, you can mosey in the place des Cocotiers, where Noumeans love to gather. The Tjibaou cultural centre unveils the secrets of the kanak culture. As for the Hagen castle or the maison Celières, these are precious witnesses of a colonial past. But Noumea is also about sumptuous beaches.

### Day 8 LIFOU

You'll land around 100km east of Grande-Terre. An ancient coral atoll atop a collapsed volcano, Lifou is today the largest and highest of the Loyalty Islands. This is an outstanding natural site, waiting to be explored: to the north, the coastline ends abruptly in sheer cliffs, while to the south lie expanses of long white sand beaches. Lovers of wild plantlife may well be tempted by a walk further inland, where the rich and authentic Kanak culture is proudly upheld by the local community.

### Day 9 MARÉ, LOYALTY ISLANDS

Secluded and wild, Mare Island, located in New Caledonia, is the southernmost of the Loyalty Islands group. You will see unusual cut-out reliefs sculpted by time: here, old coral reefs transformed into impressive cliffs plunge into the ocean; there, the turquoise waters of peaceful lagoons lap on white sand beaches, rimmed with coconut palms and Cook pines. Inland, a central plateau shelters numerous caves and water "holes". Mare Island is also known as " the market garden of New Caledonia". Don't forget to eat the island's succulent avocados.

### Day 10 AMÉDÉE ISLAND

Standing on a paradisiacal strip of land off the coast of Noumea, the 56-metre high Amedee lighthouse looks over the entrance to the harbour of the New Caledonian capital. This historical treasure was built in Paris in 1859, before being dismantled, packaged up and boxed into 1265 parcels, and then shipped by boat to its island in the Pacific. It is one of the

### Day 11 NOUMÉA

Perched on a peninsula between bays and hills, on the south-west coast of Grande Terre, Noumea enjoys a magnificent natural setting. The town shelters some exceptional biodiversity, thanks especially to the coastal mangroves. To feel the town's heartbeat, you can mosey in the place des Cocotiers, where Noumeans love to gather. ### Days 12 - 15 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. species. A truly enchanted interlude, combining comfort, rest and entertainment.

### Day 16 CAIRNS

Washed by the Coral Sea, the harbour town of Cairns is located on Australia's north-east coast. The seafront esplanade is a popular place for locals and visitors to walk, swim and picnic under the shade of swaying palm trees. The hills surrounding Cairns form the gateway to the Queensland Rainforests, proclaimed a UNESCO World Heritage site for their fauna and flora from the Gondwana era.
