

HIDDEN TREASURES OF THE INDONESIAN ARCHIPELAGO - LUXURY CRUISE

Aboard the _Paul Gauguin_ , a ship with a distinctly relaxed and international atmosphere, set sail to discover fascinating and idyllic lands offering a mix of cultural heritage and natural treasures. Explore the volcanic landscapes, heavenly beaches and traditional villages of the Lesser Sunda Islands. In Badas , discover the rural traditions of Sumbawa and the spectacular buffalo races. Track the famous Komodo dragons in Komodo National Park before enjoying the crystal-clear waters of Pink Beach. On the island of Sumba , immerse yourself in an ancestral culture featuring traditional dances and ikat weaving. In West Timor , meet local communities and discover an extraordinarily rich cultural heritage. This trip offers an opportunity to discover a mosaic of communities and hidden treasures across the Indonesian archipelago.

ITINERARY

Day 1 - Benoa, Bali

If it's a taste of exotic authenticity you're after, prepare to be spell-bound by the **island of Bali** , tucked away in the heart of the Indonesian **archipelago**. The beauty and diversity of its landscapes, the depth and richness of its cultural heritage and the plethora of activities on offer here make **Bali** a little slice of heaven on Earth. The island's southern coast enthrals with its white sand beaches, its picturesque little fishing villages such as **Benoa,** and its hills patchworked with terraced rice paddies further inland. Nicknamed 'the Island of Gods' for its sumptuous temples, Bali is the beating heart of Indonesian Hinduism.

Day 2 - Badas, Sumbawa

The port of Badas is part of the greater township of Sumbawa Besar, on the island of Sumbawa. Like most of Sumbawa the people hold their culture strong as a major part of their identity. The island has a strong influence from the Makassarese of Sulawesi, who over the centuries have introduced a lot of their culture into Sumbawa. Join your expedition team and local guides for a tour by bus to Pamulung Village where you will be welcomed by the head of the village and have the opportunity to witness first-hand the local traditions of rice pounding, weaving and also re-enactment of a traditional wedding procession. Your visit will conclude with an exciting Sumbawa buffalo race, an event that will be held in honour of our visit.

Day 3 - Komodo National Park

Between the islands of Sumbawa and Flores, **Komodo National Park** welcomes you to discover its natural wonders. At the very heart of the Indonesian archipelago, the three islands that form it - Komodo, Rinca and Padar - owe their renown to the **famous eponymous dragons** , enormous lizards over two metres long, which live in its grassy savannah. This jagged and hilly volcanic territory belonging to the Sunda Islands is a **UNESCO World Heritage Site** because of its incredible terrestrial and marine biodiversity. Admire its palette of colours, intermingling the sparkling whites of the beaches and the deep blues of the coral-filled water.

Day 4 - Waingapu, Sumba

Discover the natural and cultural treasures of **Waingapu** on a scenic drive to the hills of **Bukit Tanarara** and **Hili Wuku** , renowned for their spectacular **savannah landscapes** and breathtaking panoramic views. Continue to the **village of Prailiu** , known for its distinctive **traditional houses** and beautiful **ikat textiles**. After a warm welcome and a **traditional dance performance** , explore the village at your own pace to observe daily life, admire the intricately handwoven fabrics and browse a selection of local souvenirs.

Day 5 - Larantuka, Flores

In **Larantuka** , a small town at the eastern tip of **Flores Island** , meet local communities during **cultural welcome performances** in traditional villages, where you will discover local skills and crafts including **ikat** weaving and the production of **regional alcoholic drinks**. Continue with a visit to **Reinha Rosari Cathedral** , a testament to the Portuguese heritage and **strong Catholic tradition** that have shaped Larantuka's history and identity, then head to a **local school** to enjoy a performance by the children and to be shown around their classrooms.

Day 6 - Kupang

In **Kupang** , in the heart of the island of Timor, immerse yourself in the traditions of **the eastern Lesser Sunda Islands**. Visit the **East Nusa Tenggara Regional Museum** to discover the province's rich cultural heritage through its **traditional ikat textiles** , models of vernacular houses, carved figurines, musical instruments and **archaeological artefacts** reflecting the history and traditions of the region. In **Lasiana** , watch how palm sap is turned into brown sugar and sample this local speciality before enjoying a coffee or tea on the picturesque beach to the sounds of the **sasando** , a traditional stringed instrument from the region.

Day 7 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation

in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 8 - Darwin

Darwin is located in Australia's Northern Territory which is also known as the "Top End". It is the **capital city** and the most populated town of the Northern Territory. Darwin is a beautiful tropical city, a **melting pot of people and cultures** , over 50 different cultures live and work side by side that prides itself in its unique and friendly laid-back lifestyle. Come discover the town's still recent history through its emblematic buildings such as the new **Parliamant House** opened in 1994, a magnificent example of tropical architecture or **Admiralty House** declared heritage place, a tropical-style home elevated on stilts that has survived two cyclones and numerous air raids.
