### HISTORIC LOWER GANGES CRUISE (ABN SUKAPHA)

These cruises, upstream or downstream with return journey by rail, take you along the intimate lower Ganges sidestream, the River Hooghly, which flows from Farakka on the main river down to Kolkata. As well as sightseeing of Kolkata itself and the European colonies just outside, the cruise takes in Murshidabad, capital of the Nawabs of Bengal, the battlefield of Plassey close by, and the many monuments of the medieval Islamic capital of Gaur. A highlight are several delightful and little known Bengali Terracotta temples. Cruises can be combined with Ganges cruises on most dates.

- **KOLKATA/CALCUTTA** - The City of Palaces, Calcutta was the capital of British India for around 150 years, and boasts much superb colonial architecture. It can also claim to be the intellectual capital of modern India, and is a thriving, bustling, colourful and up to date city, with some excellent shops. In the northern suburbs lie the old French, Dutch and Danish colonial enclaves, still retaining a distinctive flavour.
- **KALNA** - A pleasant agricultural centre, boasting some of Bengal's finest terracotta temples.
- **MURSHIDABAD** - Capital of the Nawabs of Bengal, losers at Plassey, and a delightful backwater town full of abandoned mosques, tombs and crumbling palaces. Nearby Baranagar boasts further examples of charming terracotta temples.
- **FARAKKA BARRAGE** - Where the Hooghly flows out from the Ganges, this great dam, opened in 1975, protects much of Bengal from flooding as well as generating electricity. What's included All accommodation All excursions and entry fees All transfers as mentioned in the itinerary Full board Service of an English-speaking guide onboard and during excursions

#### ITINERARY

DAY 1 Kolkata - Embarkation

This morning, you will be collected from your hotel to embark your ship by midday. Sail past the old Danish colony of Serampore to Barrackpore. Land and take a walk through the

cantonment - past the Semaphore Tower, Government House, the Temple of Fame and Flagstaff House - to get a better understanding of India's journey to independence.

[DAY 2 Chandernagore - Chinsura - Hooghly - Kalna](#)

Sail up to Chandernagore, a French possession until 1950. Visit the 18th century church and Duplex's House, the erstwhile Governor-General of French India. Sail upstream past the old Dutch settlement of Chinsura before landing to visit the imposing Imambara at Hooghly. With verses from the Koran written on its walls, the Imambara is an opportunity to step back in time and relive a slice of Islamic history in Bengal. Sail into the night to a mooring near Kalna.

[DAY 3 Kalna - Mayapur - Matiari](#)

Sail upstream and, after breakfast, land at the country town of Kalna and take cycle rickshaws to see a group of some of Bengal's most attractive terracotta temples, as well as the unique Shiva temple with concentric rings made up of 108 shrinelets. Continue on through the countryside to Mayapur to visit the vast new ISKCON (International Society for Krishna Consciousness) temple which dominates the skyline. As the headquarters of ISKCON or the Hare Krishna movement, the temple receives over a million singing and dancing devotees a year from around the world. Sail on through the night to a mooring near Matiari.

[DAY 4 Matiari - Plassey - Murshidabad](#)

This morning visit the brass-working village of Matiari, a charming riverside village. Interact with the locals of Matiari and witness the whole primitive process of beating out brass water pots and other vessels. Later, cruise on and visit the battlefield of Plassey where, in 1757, Robert Clive, the Commander-in-Chief of British India, defeated Siraj-ud-Daulah, the last independent Nawab of Bengal, to change the course of Indian history. Moor close to Murshidabad for the night.

[DAY 5 Khushbagh - Katra Mosque - Nashipara Palace - Katgola Palace](#)

This morning, walk to the Khushbagh, a peaceful Mughal-style garden that encloses the tombs of Siraj-ud-Daulah - the last independent Nawab of Bengal - and his family. Continue a little way upstream to where the great Hazarduari Palace dominates the waterfront. Built by an English architect in 1837, the palace hosts an extensive collection of pictures, china, weapons and other objects. Carry on to visit the great Katra Mosque and Nashipara Palace before driving out to see the Katgola Palace. Built in classical Georgian style by rich local merchants, Katgola Palace represents the other side of the coin of the 'White Mughal' period when English and Indian cultures came close to fusion. Moor overnight on the riverbank across from town.

[DAY 6 Baranagar - Lower Ganges - Farakka Barrage](#)

This morning, walk through the fields of the delightfully sleepy village of Baranagar to visit its three gorgeous miniature terracotta temples. This is rural India at its most idyllic. Continue

up the lower Ganges (or the Hooghly), which transforms into a charming waterway twisting and turning between banks lined with mustard fields and mango orchards. Carry on up a long canal section to a mooring close to the Farakka Barrage.

without notice.

### DAY 7 Gaur

During breakfast, we cruise to a mooring by the Farakka lock. Disembark and go on a full-day excursion by road to Gaur, near the town of Malda, or English Bazar. This quiet, deserted place was once one of India's great cities, first under the Hindus in 12th century, then as the Muslim capital of Eastern India from the 14th to the 16th century. There are plentiful remains of mosques, palaces and gateways and you visit a number of the most interesting before rejoining the ship in the evening above the Farakka lock gate to continue your cruise upstream.

### Day 8 Farakka

Transfer to Farakka station at dawn for a 4 hr (approx.) train journey to Kolkata. Our representatives will meet you on arrival and transfer you to a central Kolkata hotel.

### Please Note:

Itinerary above indicates the Upstream direction. Downstream itinerary goes in reverse and may be slightly different. While every effort will be made to maintain the itinerary, in view of fluctuating river conditions and navigational or mechanical difficulties, all schedules and itineraries are subject to change
