ITINERARY

Day 1 - Boston

Nicknamed "America's Walking City", the city is considered to be the epicentre of American history. Founded in 1630, the tenth largest agglomeration in the United States, is a pleasure for walkers. To get around, just follow the Freedom Trail circuit that serves most of the tourist sites with its red line traced on the ground. Don't miss all the delicious local specialities on offer at Quincy Market, like the lobster sandwich, and then take time to explore North End, the Italian quarter. For the more romantic among you, Beacon Hill, the historic quarter, with its absolutely charming cobbled streets, is really worth a look.

Day 2 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 3 - Halifax

A historical port city on the Canadian east coast, **Halifax**, surrounded by enchanting nature, stands out as the **provincial capital and the cultural hub of Nova Scotia**. The city played an important strategic military role in the two world wars and was also the **largest Royal Navy base** during the American Revolutionary War and the Napoleonic Wars. Most of the victims of the Titanic disaster were laid to rest here in the Fairview cemetery, which you will have the chance to discover. At this port of call, you will also have the opportunity to **visit the picturesque fishing village of Peggy's Cove** and discover its breathtaking natural landscapes.

Day 4 - Sydney

Founded in 1785, **Sydney** is located in the province of Nova Scotia, on **Cape Breton Island**. Sydney was very much shaped by the steel industry, since in the early 20th century it became home to the world's largest steel plants. The

city contributed to the allied war effort by becoming a base for the supply convoys bound for Great Britain during the Second World War. Today, tourism has supplanted mining and the **Sydney Mines Heritage Museum & Fossil Centre** makes for an interesting visit. Walkers will enjoy hiking along the lighthouse coastal trail through the wild nature of Cape Breton, with stunning views over the ocean.

Day 5 - Charlottetown

The colonial seaport of **Charlottetown** is the capital of Prince Edward Island, "the Garden of the Gulf of St. Lawrence." The town played a crucial role in Canada's history, hosting the **Charlottetown Conference** (1864), which set the stage for the country's unification. **Province House** is site of that conference and now home to the provincial legislature. Explore nearby **Prince Edward Island National Park** and the **Anne of Green Gables House** –inspiration for Lucy Maud Montgomery's classic novel. Also see the **Confederation Bridge**, which crosses the eight miles of the Northumberland Strait, making it Canada's longest bridge and the longest bridge in the world to span ice-covered water.

Day 6 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 7 - Lunenburg

Stretching out along the eastern seaboard of **Nova Scotia**, the picturesque port of **Lunenburg** will leave an indelible impression. You can admire the colonial architecture of this fishing village whilst strolling through the chequerboard streets studded with brightly coloured houses. The enchanting charm of the old town has earned it **UNESCO World Heritage status**. The former naval shipyard town of Lunenburg is where you will also find the replica of the legendary **Bluenose schooner**, originally built in this port.

Day 8 - Saint-John, New Brunswick

Immerse yourself in the maritime atmosphere of **Saint John**, anchored in southern New Brunswick at the mouth of the Saint John River, where Canada's history is reflected along the shores of the Bay of Fundy. Saint John is a port city blending **Victorian architecture, industrial heritage and contemporary energy**. Surrounded by **rugged coastline and picturesque villages**, Saint John invites you to discover **unspoilt nature**, abundant wildlife and an authentic culture deeply connected to the ocean.

Day 9 - Eastport

At the Canadian border, **Eastport** is, as its name suggests, the easternmost city in the United States. It is here that, in 1604, the first French people to arrive in the New World settled. Discover their story at **the Saint Croix Island International Historic Site**. In the late 19th century, this charming town in Maine grew significantly as a result of the development of the

canned sardine industry. At the time, the town boasted more than a dozen sardine canneries. The architecture and some mansions from this period live on, affording the town a distinct elegance. One of the attractions of this town is undeniably its proximity to the **Old Sow Whirlpool**, the largest tidal whirlpool in the Northern Hemisphere, where visitors can watch the birds and marine mammals that come to feed on the nutrients driven up to the surface.

Day 10 - Rockland

Nestling on Penobscot Bay in New England, **Rockland** is famous for its beautiful seascapes. Its picturesque port is often nicknamed **"the Jewel of Maine"**. With its rich heritage, Rockland's appeal lies in its **historic charm, traditional dwellings and preserved nature**. The world lobster capital, the town is also renowned as a leading **culinary destination**.

Day 11 - Crossing the Cape Cod Canal - West

Day 11 - Oak Bluffs, Martha's Vineyard

This little town is the ideal starting point for a stroll around Martha's Vineyard ». The **gentle lifestyle** of this incomparable setting has been attracting American presidents for several decades. Oak Bluffs will surprise you first and foremost by its **Gingerbread Houses**. The story goes that the **Methodist community** settled here more than a century ago, and built these colourful houses, straight out of the Hansel and Gretel fairytale. You'll certainly enjoy a visit to the **Flying Horses**, the oldest wooden carousel in the United States.
