ICELAND CIRCUMNAVIGATION - 10 DAY ADVENTURE CRUISE

Witness geological landscapes beyond imagining. Stand in awe of volcanoes, waterfalls, mountains, fjords, sea stacks, bird cliffs, lava fields, glaciers, and caves. Hike to dramatic cliffs to photograph seabirds, visit remarkable geological formations by Zodiac, and learn about Iceland's incredible volcanic history. Even if you're not a geologist, Iceland has something for you! Cross the Arctic Circle at Iceland's northernmost point of Grimsey. Visit Grimsey, which lies upon the Arctic Circle (66° 33' North) and earns Iceland its title as one of the world's eight Arctic nations—just barely! Cross this fabled line of latitude off your bucket list by travelling to the secluded island forty kilometres off Iceland's north coast. But visit soon: the Arctic Circle is moving north and by mid-century Grimsey will be south of it. Immerse yourself in Icelandic music, storytelling, cuisine, and culture. Browse the attractions of Reykjavik, a global hotspot for culture. Enjoy the sounds and melodies of the folk music centre in Siglufjörður. Explore the shops, cafes, restaurants, and museums of Akureyri, Iceland's "little capital." Then wander the cobbled rainbow road of picturesque Seyðisfjörður, known for its flourishing art scene and excellent handicrafts. Spot whales and seabirds in rich marine environments. Get your binoculars ready! Iceland's rich North Atlantic waters are teeming with wildlife. Enjoy whale watching at Husavik on Skjalfandi Bay, known as the whale capital of Iceland. Take a Zodiac cruise around the island of Grimsey, brimming with a million seabirds, including puffins, guillemots, and gulls. Marvel at incredible volcanic history, including Europe's newest island. Learn about the compelling history of the volcanically active area region of the Vestmannaeyjars, which has experienced two major eruptions in

recent times. 1963 saw the formation of the island of Surtsey and the Eldfell eruption ten years later destroyed much of the island of Heimaey. Today, Surtsey is a conservation area uninhabited by people. Sail by these unique landforms for your chance to witness one of the world's

newest islands.

Day 2: Snæfellsnes Peninsula - Meander Dramatic Landscapes

Discover one of Iceland's most amazing coastlines, the Snæfellsnes Peninsula, a region known for its dramatic beauty and fascinating geological history.

The Snæfellsnes Peninsula is often referred to as "Iceland in Miniature" due to its diverse range of natural wonders. From black sand beaches to a volcano, a glacier, lava fields, mountains, waterfalls, caves, and craters, the peninsula encapsulates many of Iceland's unique landscapes in one area.

Delight in the many opportunities to observe seabirds and marine life as you explore this spectacular destination.

Day 3: The Westfjords - Explore Remote Coastlines

Be among the lucky few to explore the Westfjords, a region known for its jagged bird cliffs and multi-hued beaches--only about ten per cent of the rest of Iceland's visitors ever make it here!

Soak up the breathtaking beauty of the coastal fjords and marvel at the immense mountains that loom overhead. Here, nature's splendour awaits at every turn.

Day 4: Siglufjörður and Grímsey - Cross the Arctic Circle and Learn about Icelandic History

Travel to far-flung Grímsey, which lies upon the Arctic Circle (66° 33' North) and earns Iceland its title as one of the world's eight Arctic nations--just barely!

Take a Zodiac cruise around the island, brimming with a million seabirds, including puffins, guillemots, and gulls, that far outnumber its small human population.

Visit resurgent Siglufjörður that, in its heyday, bustled with activity as the centre of the herring fishing industry.

Enjoy a wonderful re-enactment at the Herring Era Museum and make some time to pop into the bakery, chocolate factory, brewery, and Icelandic folk music centre, too.

Day 5: Akureyri - Visit Museums and Botanical Gardens

Immerse yourself in the charm of Akureyri, Iceland's second-largest urban area! Opt to walk up the steps of Akureyri's monumental Lutheran church for a stunning panoramic view--it will be well worth it!

Explore the city's shops, cafes, and restaurants and enjoy the variety of ten museums for you to choose from.

Stroll through Akureyri's botanical gardens which are among the northernmost in the world and miraculously grow several thousand plant species.

Enhance your journey with an optional excursion to Forest Lagoon. This captivating oasis is nestled in the Valaskogur forest and offers inviting pools, rejuvenating saunas, and a cozy bistro area, overlooking Eyjafjörður, one of Iceland's longest fjords.
