

ICELAND CIRCUMNAVIGATION CRUISE ABOARD SEAVENTURE

Experience an unforgettable journey around Iceland onboard the SEAVENTURE. Discover this mystical land steeped in Viking traditions and volcanic landscapes rarely seen anywhere else on earth. This voyage reveals a diverse array of natural wonders and the Icelandic way of life. A range of exciting shore excursions offers countless ways to interact with Iceland's culture, nature, history and people. After departing from beautiful Reykjavik we will visit the remote and wild Snaefellsnes Peninsula, Isafjordur, an idyllic town in the Westfjords region, the wonderful bird island of Flatey, the whale watching centre of Husavik, the picturesque port of Seydisfjordur and the Westman Islands. We also have the choice of optional visits to the Vatnajokull Glacier or a four wheel-drive Jeep tour or take a boat trip in the Jokulsarlon glacier Lagoon amongst others.

ITINERARY

Day 1 Reykjavik

Our optional Air & Ground package provides a convenient arrival. Use your leisure time in Reykjavik to discover the unique charm of the world's northernmost capital. The SEAVENTURE docks in Old Reykjavik Harbor in the heart of the city, a five-minute stroll from the main squares, shopping and dining. The ship departs in the evening.

Day 2 Snaefellsnes Peninsula

The area is often referred to as "Iceland in miniature", through its diversity of landscapes. Breidafjordur Bay, for instance, is known for its fascinating bird life, unique basalt formations and breathtaking panorama.

Day 3 Isafjordur

Today's destination is Isafjordur, an idyllic town in the Westfjords region. This secluded peninsula is connected to the Icelandic mainland by only a narrow strip of land and includes many roadless areas where cars have never been. The landscape includes jaw-dropping views of dramatic fjords carved by ancient glaciers, sheer table mountains that plunge into the sea and pristine North Atlantic vegetation.

Day 4 Siglufjordur/Flatey/Husavik

By morning we reach the fjord town of Siglufjordur, once the hub of the global herring industry and now enjoying a rebirth in popularity. Learn about the golden age of herring at the award-winning Herring Era Museum located on the vibrant harbour-front. In the early afternoon we head to Flatey. It's a natural haven for birdlife and home to the arctic tern and puffins, which can be observed at close quarters. During dinner we steam further into the Skjalfandi Bay and visit Husavik.

Day 5 Husavik

Husavik is often called the "Whale watching capital" of Iceland. The town's offshore waters are home to 15 different whale species, as well as dolphins and 30 variety of birds. Watching these graceful ocean giants in their Arctic habitat is an unforgettable experience.

Day 6 Seydisfjördur

Iceland's East Fjords are best explored from the impossibly picturesque port of Seydisfjordur, nestled between the sea and steep mountains. Activities include hiking, horseback riding and exploring the natural beauties of the East.

Day 7 Djupivogur

The fishing village of Djupivogur is today's starting point to explore the Berufjordur fjord by kayak (optional). Go on a four wheel-drive Jeep tour (optional) or take a boat trip in the Jokulsarlon Glacier Lagoon (optional). Icebergs of all shapes and sizes are floating in the water - an unforgettable adventure.

Day 8 Vestmannaeyjar (Westman Islands)

Located off Iceland's South Coast, the Westman Islands were formed by submarine volcanic eruptions around 10,000 years ago. We go ashore on Heimaey, the only inhabited island, where half-buried houses remain from a violent 1973 eruption.

Day 9 Reykjavik

After breakfast we bid farewell to the SEAVENTURE as we sail back into Reykjavik. Explore inland areas like the Golden Circle and its famous Gullfoss waterfall or other post-cruise programs. Or simply hang out in Reykjavik, a perfect city for those who want to refresh their spirit in a place that combines invigorating outdoor activities, great food and world-class entertainment.

Please note: The arrival and departure times depend on weather conditions. We strongly recommend that you do not book your departure flights before 02:00 p.m.

PASSENGER CAPACITY:

BUILT/REFURBISHED:

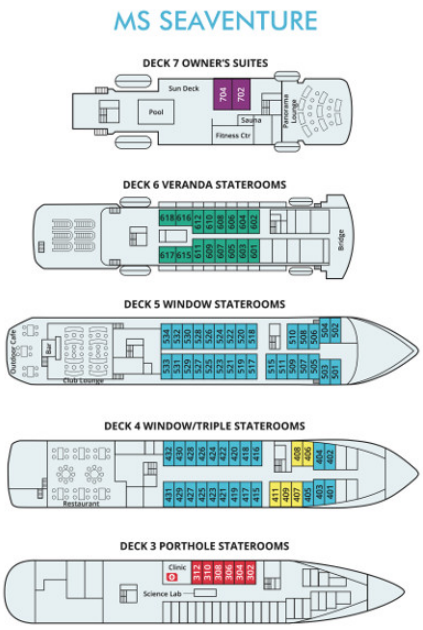

A WORLD-CLASS SMALL SHIP EXPERIENCE Seaventure features a 1-A Super ice class rating -- the highest ice class awarded to passenger vessels. This means that we will be able to explore coves, bays, and channels that would previously have been forbidden to us. The ship also offers a host of new activities. There's a sauna, a fitness center, a custom-built citizen science lab, and heated saltwater pool. There is more storage space, which is important because it means we can carry more equipment, so that more of our guests can participate in activities like kayaking, snowshoeing, and camping. The common areas are larger and beautifully appointed, and the ship has two. Antarctica is a uniquely challenging environment, one that Seaventure is supremely prepared for. Its state-of-the-art stabilizing system provides safe, comfortable passage through even rough seas, and its ice rating is second-to-none in these waters. This means Seaventure can usher you into places (and amazing experiences) that regularly turn away lesser and larger ships. Seaventure features an outer viewing deck that circles the entire ship, and an outdoor dining area and heliport where we host events whenever weather permits. Indoors, our elegant dining areas and spacious presentation room surround you with oversized windows, so you'll never have to miss a passing iceberg or an impromptu sighting of a Humpback or school of Orcas. Even our treadmills and ellipticals keep your eyes trained on the mesmerizing Antarctic landscape. Ship Facilities: Two Elevators serving all passenger decks Library with computers Fitness Center and Sauna Heated saltwater swimming pool Citizen Science Laboratory All Staterooms Feature: Exterior views Sitting area with chairs or sofa and table Complimentary Mini-Bar Flat Screen TV Telephone Safe to store your valuables Independent temperature controls Luxury toiletries
