

JEWELS OF THE ANTILLES - LUXURY SMALL SHIP CRUISE

Between unspoilt archipelagos and endless horizons, embark on a unique journey to discover the finest treasures of the Caribbean. From the tranquil waters of Les Saintes to the majestic peaks of Saint Lucia , each stop reveals a new balance between raw nature and island elegance. In Saint-Pierre, Bequia or Speightstown , time seems to stand still, in tune with local traditions and the gentle rhythm of the tropical climate. Further on, the Tobago Cays offer translucent lagoons and reefs rich in unique biodiversity, creating a marine spectacle of rare intensity.

ITINERARY

Day 1 - Vieux Fort

Vieux Fort lies to the far south of the island of Saint Lucia. This town, which was a strategic location in the sugar industry from the 18th to the 19th centuries, derives its authenticity from its rich history. Renowned for its LCVIF and **beaches typical** of **the Caribbean** , it is also famous for its mythical Moule-a-Chique Lighthouse. Built in 1912 and standing 200 metres (656 feet) tall, this lighthouse will be visible as soon as you arrive on the Saint Lucian coastlines. The beauty of Vieux Fort is also reflected in the **underwater kingdom** that surrounds it. It is home to an abundance of marine species, such as eagle rays or leatherback sea turtles. Vieux Fort is most likely to evoke feelings of enchantment and it reserves a

soothing welcome, paced by the rhythm of its waves, for each of its visitors.

Day 2 - Sailing along the Pitons

You will sail off the coast of the Pitons in Soufriere Bay. The Pitons are two volcanic spires, covered in tropical rainforest, rising side by side from the sea - they are a UNESCO World Heritage Site. The area's volcanic complex includes a geothermal field with sulphurous fumaroles and hot springs.

Day 2 - Port Elizabeth, Bequia Island

In the heart of the **Caribbean** , **Bequia** is the second-largest of 32 islands that make up the country of **St Vincent and the Grenadines**. You will love the lively and picturesque atmosphere of **Port Elizabeth** , the island's main town. From the port, a promenade lined with beautiful traditional houses, landscaped gardens and small restaurants runs along the shoreline. It leads to Princess Margaret Beach, a wild beach where Princess Margaret herself has stayed and which seems to emerge directly from the tropical forest. From rainforest to lush meadows and long stretches of sand, Bequia will offer you a natural setting that is conducive to lovely walks and to spending time on the beach.

Day 3 - Tobago Cays

Scattered between **St Vincent and Grenada** , the **Tobago Cays** comprises five little islands: Petit Rameau, Petit Bateau, Baradal, Petit Tabac and Jamesby. This rosary of uninhabited cays in the **southern West Indies** is a **marine park** whose turquoise lagoons provide a home and safe haven for some outstanding marine fauna, **including peaceful green turtles**. Girded and united by a coral reef, these secluded islands are a peaceful paradise for divers, swimmers and snorkellers.

Day 4 - Mayreau Island

Among the string of paradisiac islands with their sandy beaches that form the Saint Vincent and the Grenadines archipelago, Mayreau is the smallest. Its **peaceful and idyllic atmosphere** , far from the madding crowd, invites you to relax. On shore, enjoy a **shaded and fully equipped beach** from which to go snorkelling if you'd like to observe the colourful fish around the coral sitting at the foot of the rocks that stretch across the bay.

Day 5 - Speightstown

Located on the west coast of Barbados, **Speightstown** is the island's second-largest town and one of its oldest urban centres. Founded in the 17th century as a trading port, it retains a**well-preserved colonial heritage** , with several historic buildings overlooking the sea. Succumb to the charm of this picture-postcard destination featuring long beaches, colonial heritage and an authentic atmosphere.

Day 6 Les Saintes

During the feast of All Saints in 1493, **Christopher Columbus** discovered this archipelago of nine islands that he named "The Saints". Today, only two of them are inhabited. Terre de Haut, in the east, is dominated by the Morne Mire hill; at the summit stands **Fort Napoleon** , paying homage to the islands' history. In the heart of the **botanical garden** , shared by iguanas and cacti, there is an exceptional view of the **Baie des Saintes** , one of the most beautiful in the world. The long shady beach of Pompierre, where it is forbidden to drop anchor, is a peaceful place for a swim, while Pain de Sucre Beach offers wonderful opportunities for snorkelling. On the

island, don't forget to taste the local speciality, the "tourment d'amour", a cake made with coconut.

Day 7 - Saint Pierre

Nestled at the foot of Mount Pelee on Martinique's northwestern coast, **Saint-Pierre** reveals a quiet, genuine charm. Once the cultural capital and oldest town on the island, the town's quiet streets preserve traces of its past in a peaceful, unspoilt atmosphere. Its stone ruins whisper tales and legends. Let the allure of its black sand beaches and the shimmering turquoise sea sweep you away.

Day 8 - Vieux Fort

Vieux Fort lies to the far south of the island of Saint Lucia. This town, which was a strategic location in the sugar industry from the 18th to the 19th centuries, derives its authenticity from its rich history. Renowned for its LCVIF and **beaches typical** of **the Caribbean** , it is also famous for its mythical Moule-a-Chique Lighthouse. Built in 1912 and standing 200 metres (656 feet) tall, this lighthouse will be visible as soon as you arrive on the Saint Lucian coastlines. The beauty of Vieux Fort is also reflected in the **underwater kingdom** that surrounds it. It is home to an abundance of marine species, such as eagle rays or leatherback sea turtles. Vieux Fort is most likely to evoke feelings of enchantment and it reserves a soothing welcome, paced by the rhythm of its waves, for each of its visitors.
