

KIMBERLEY FISHING EXPEDITION

Chase Trophy Barramundi Where Few Anglers Ever Cast Offering some of the best fishing in the world, spectacular scenery and perfect weather the Kimberley is undoubtedly a very special place. Isolated and remote, this true wilderness country encompasses rugged gorges, towering sandstone escarpments, meandering river systems and immense estuaries. The waters are teeming with many species of fish including Barramundi, Mangrove Jack, Fingermark Bream, Salmon, Giant Trevally and more. We take a maximum of 12 guests on our fishing expeditions to ensure that there is plenty of space in our tenders which are driven by a knowledgeable and enthusiastic guide who will use their experience to help you land the 'big ones'.

ITINERARY

DAY 1: DEPART BROOME

A courtesy vehicle will pick you up from your accommodation in Broome at approximately 8.00am and transfer you to the Broome airport for a light aircraft flight to join Kimberley Quest II at Cygnet Bay. Your fishing expedition has begun!

DAY 2: SECURE BAY

Watch the incredible tidal movements throughout Secure Bay as we cruise through many spectacular whirlpools in search for barramundi. We then head towards the outer islands for your first taste of fishing for Giant Trevally, Spanish Mackerel and other pelagic species.

DAY 3: COLLIER BAY / WALCOTT INLET

Another action packed day filled with barramundi fishing! An array of snags, run-offs and rock bars present ideal conditions for big barra and a host of other species which will be lurking in these waters. See if you can join the metre club!

DAY 4: DOUBTFUL BAY

Fish the numerous inlets of Doubtful Bay for the elusive barramundi and Threadfin Salmon. Enjoy a cruise to Red Cone Creek for a refreshing swim at Ruby Falls before trying your luck at mud crabbing.

DAY 5 & 6: GEORGE WATER & GLENELG RIVER

We fish the immense estuaries and extensive river systems of the George Water and the Glenelg River, both of which have reputations for 'Big barra'. These two systems are also home to many species of estuary fish including Mangrove Jack, Fingermark and the prized barramundi. No moment is spared without a line in the water! Fish the outgoing tide or try your luck at the numerous creeks, it is serious fishing in these waters!

DAY 7: CYGNET BAY - BROOME

After a late breakfast you will disembark the Kimberley Quest II for your light aircraft flight back to Broome. Arrival into Broome will be around midday.

Please Note:

All of our specialist Kimberley fishing expeditions are scheduled specifically around the tides to give you maximum fishing time and idyllic conditions. We take a maximum of 12 fishermen to ensure that there is ample space in our four custom-built 5m excursion tenders, all equipped with depth sounders and four-stroke 90HP Honda outboards. All fishing excursions are accompanied by one of our experienced Kimberley fishing guides. We provide a large range of specialist rods and reels, as well as an extensive array of lures. Gear is provided, however you are of course welcome to bring your favourite lures and your own rod and reel. Heli fishing is available at an additional cost. Note this is to be arranged with the office prior to departure. This is only a suggested itinerary. The remote Kimberley region experiences large tidal movements which can affect our itinerary. We may need to vary this from time to time, however, no matter the tides, we always visit the spectacular icons of this region. There will be plenty of land and sightseeing excursions to many untouched places, and opportunities to catch fresh fish for the table.
