

THE MIGHTY BRAHMAPUTRA RIVER 8 DAY CRUISE

The mighty Brahmaputra River in Northern India originates high in the Himalayas before flowing through the scenic Assam Valley where UNESCO protected national parks and remote rural communities provide travellers with the most wonderful and authentic expedition. Sailing 7-nights along this vast and changeable river, those coming from elsewhere in India will feel they have been transported to another world as the riverbanks extend beyond view and occasional sandstorms make it seem like we are sailing through a desert. Visiting two national Park we sail lazily through Nameri National Park to spot a vast array of birdlife, whilst during a full day jeep safari at Kaziranga National Park, we encounter vast numbers of protected mammals including the Indian One-Horned rhino and, famously spotted on one expedition but extremely rare, the Bengal Tiger. Assam is also home to a deep and colourful culture which we encounter both on land and onboard with dances and performances from local performers, explained by our experienced Assamese guides.
