CROATIA AND MONTENEGRO CABIN CHARTER SAILING YACHT CRUISE

Our Cabin Charter program in Montenegro offers the opportunity to explore the mainland and the stunning bays leading to Kotor in Montenegro. Booking by the cabin on our spacious 4 cabin catamaran gives you the chance to enjoy a fully crewed yachting holiday at the fraction of the cost of a traditional skippered charter. You can get involved in the sailing as much as you like, or relax and watch the stunning scenery glide past, safe in the hands of our experienced professional crew. The cruises start and end in Dubrovnik, a short ride away from the "bucket list" destination of Dubrovnik old town, a UNESCO world heritage site. If you arrive early, you can take a taxi or a bus into the town to explore. Once out on the water we head south into Montenegro, visiting the famous walled city of Kotor and beautiful Herceg Novi amongst others. The chosen catamaran is spacious, with 4 double cabins, all with private en-suite facilities. There are a maximum of 8 guests on board, looked after by a professional crew of two - a skipper and 1st mate. Breakfast and a light lunch are included, with breakfast being taken before setting sail for the day. When the itinerary permits, lunch is as anchor in a peaceful bay, with the opportunity to take a dip before or after lunch. As all sailors know, one of the most important parts of the day is once the sailing is over - relaxing in the cockpit or on the forward trampoline with a cool glass or your favourite tipple, watching the world going by. Our crew ideally plan to be in harbour early afternoon, giving you plenty of time to relax before heading out to explore. We plan our routes to include a variety of stops, from small sleepy little towns to the larger must-see tourist destinations. Includes: Accommodation in a double or twin cabin Running expenses of

the yacht, including fuel, water and gas Continental buffet breakfast and light lunch daily Bottled water, Coffee and tea throughout your stay on board Services of our professional English speaking skipper and first mate Use of paddle board & snorkelling gear Bed linen

and towels
