NORTH CROATIA LUXURY CRUISE FROM RIJEKA

An unusual cruise that visits the quieter part of the Croatian Coastline. We will stop in a bay every day for a swim, and in the evenings we will explore the many fine restaurants ashore. Mali Lošinj, likened to a mini Venice, is a beautiful small port, with fantastic ice cream. Vis was out of bounds to the public for many years as the HQ of the Yugoslav Navy, but is now open to everyone. The nearby Blue Cave is a charming sea cave (as long as the sea is calm) and the ancient towns of Šibenik and Zadar are quite stunning.

Day 6, VIS – KORNATI – PP TELAŠ ICA (DUGI OTOK), Thursday (B, L, CD*)

While everyone is still sleeping, we set off for our next destination - National Park Kornati. A stone labyrinth of eighty-nine islands, islets, and cliffs in the sea - these are the islands of Kornati. The most indented island group in the Mediterranean. Dry stone walls on the Kornati islands are silent and constantly testify to the toil of human labor on the sparse land in the stone surrounded by crystal clear sea. The Kornati is also called the "stone pearl of the Mediterranean". We will use the beautiful Kornati archipelago for swimming and a gourmet experience with a view. After another refreshment in the crystal clear sea, we continue sailing towards the Telaš ica Nature Park on Dugi otok, where we arrive in the afternoon. Telaš ica bays will delight you with the raw beauty of its cliffs as well as the salt lake "Mir" which is known for its healing properties. Enjoy "Captain's Dinner" tonight.

Day 7, PP TELAŠ ICA – OLIB – RAB, Friday (B, L*)

After waking up, enjoy breakfast as we slowly make our way to our next bathing destination and lunch on board. Never enough sun and sea! Along the way, we visit one of the small islands from the Lošinj archipelago - Olib - for swimming. Late in the afternoon, we arrive at the beautiful island of Rab which will welcome us with its famous 4 bell towers. A free evening is planned to get to know this unique medieval city. Take a look at the medieval walls and the famous four bell towers (you can climb one of them) along with palaces, churches, and squares where many artists paint and exhibit their works. Legend has it that local nuns created a special Rab cake for the pope who

visited Rab, and you should definitely try it at local patisseries. The recipe for the Rab cake remains a secret kept only by the islanders. Overnight in the town of Rab.

Day 8, RAB – RIJEKA DEPARTURE, Saturday (B*)
