## NORTHERN CROATIA BIKE CRUISE

This guided cycling tour around the stunning Kvarner Bay starts on Krk Island and ends on Cres Island exploring amazing coastlines, medieval towns, old villages and picturesque bays on the route. Highlights include great beaches, vineyards, pine woods, cycling on the historic islands and exploring memorable coastal towns and stunning hilltop views. Croatia is a beautiful country with beautiful islands, rich history, Mediterranean vegetation and a mild climate. Without a doubt, the best way to explore it is by bike. **SWIMMING BREAKS:** In good weather and depending on timings we will have regular swim stops while the vessel anchors in secluded bays or after the cycling before departure to the next island. **CYCLING ROUTE:** The length of the daily cycling routes is estimated and depends on local information and various detours or shortcuts that can be done en route. Sailing and cycling routes may be changed on the spot due to weather conditions and the capacity of the respective cyclists on board. Departure is during the morning hours, mostly after breakfast. **BICYCLES:** bike rental possible on request; The cruise company is not responsible for any damage which may occur to personal bicycles during bike tours and transportation from land to the vessel and vice versa. A repair kit for personal bikes is obligatory. **FOOD:** Continental breakfast and either lunch or dinner. During our cycling routes, we recommend stops at local restaurants where you can sample the local specialties. These meals are not included in the price of the trip and are paid for by the customers. There is a possibility to book a captain's dinner, which is paid directly on the spot and is offered by the captain and your tour guide.
