NORTH CROATIA DELUXE CRUISES

Small ship cruises along the charming Croatian coastline and islands a the lavishly designed, fully air-conditioned Deluxe Superior vessel. After embarking in Opatija we spend a glorious week cruising the islands of northern Croatia. Mali Losinj is like a mini Venice and has very good ice cream. Cres is more mountainous than many other local islands and home to the last surviving vulture colony in the Adriatic. We also visit Kornati National Park, a collection of 89 islands surrounded by reefs and Telaš ica Nature Park. Zadar is one of the highlights - A medieval walled town, and Krk is another beautiful spot. For this trip all you will need is a few T-shirts and a swimming costume to spend seven unforgettable days sailing on the northern Adriatic Sea from one island to another. Relax and let the captain and his crew (especially the chef) take care of you.

Day 2. Krk to Rab

After breakfast, we cruise towards Rab island known as the "island of love". On arrival, there are the imposing stone walls and you'll see Romanesque church towers, churches, palaces, stone streets and ancient facades. Many streets and squares are like open-air galleries, as artists work outside. Do not miss and try the famous "Rapska torta" cake (the recipe is secret). If weather permits, walk up to Kamenjak hill and watch the magnificent sunset. Overnight in town of Rab.

Day 3. Rab to Zadar

Morning cruise from Rab towards Zadar, travelling by Pag island with its unusual moon-like landscape. We stop to swim on tiny Maun island. In Zadar there's an optional guided tour (included on Premium). The city is today the centre of the region and was the metropolis of Dalmatia region for many centuries. The rich cultural heritage is visible at every turn: The Roman forum which dates to the 1st century AD, the church of St. Donatus dating to the 9th century AD - the most famous Medieval basilica and the symbol of the city. The imposing and mighty city walls with representative Port and Land gates are from the 16th century AD, and there are numerous palaces and villas of former noble families. Great restaurants line part of the waterfront and the centre of town. Famous, contemporary creations are the Zadar Sea Organ, one of a kind in the world (listen to the sound) and "The Greeting to the Sun" light installation. Overnight in Zadar.

Day 4. Zadar to Kornati

We visit the region of the famous National Park Kornati - rich in fish and cultural and historic remains. Historic remains of old Illyrian fortress, Roman villas, old Christian church of St. Mary and medieval fortresses and settlements add to the value of these islands. Kornati consists of 140 islands and reefs. Inlets of some islands descend steeply into the sea, a hundred meters deep in places, and dramatically razor sharp. It is truly something remarkable to see.
