NORTHERN FJORDS NEW ZEALAND CRUISE

Explore Doubtful, Nancy, Caswell, Bligh and Milford Sounds aboard the Fiordland Jewel Truly explore New Zealand's largest National Park aboard our purpose built catamaran, the Fiordland Jewel, on a six-night scenic expedition deep into the Northern Fjords. Part of the Te Wahipounamu World Heritage Site, this untouched treasure of the south is rich in history and teeming with birds and sea life. The mountains seem to rise straight out of the sea, making for incredible vistas on every turn. Stay six nights in one of our nine climate-controlled cabins, all of which have sea views and private ensuites. On a clear night, relax in the top deck hot tub and experience stargazing in a sky entirely free of light pollution. Take one of our kayaks out for a paddle and soak in the exceptional peace and tranquility of the area's wilderness landscapes. Our crew loves to share stories from the area and are great at spotting wildlife, such as fur seals, penguins, bottlenose dolphins and the many native birds that call the surrounding forests and shoreline home. Depending on your wishes, there may be opportunities for both short walks and fishing. You might even bring in the catch of the day to be cooked up by our onboard chef, who creates every meal in our fully equipped commercial kitchen. Individual cabins can be booked for yourself, your small group of family and friends, or as a couple, for an experience you'll be talking about for years to come. A maximum of 18 passengers.
