

# NORWAY'S FJORDS WITH NORTH CAPE: A TASTER ADVENTURE IN THE FAR NORTH

Experience all of Norway's diversity in one cruise - the magical North Cape, majestic fjords and dancing Northern Lights. Between picturesque towns and magnificent nature, you will get a perfect introduction to the wonders of the north.

## ITINERARY

Day 1 Tromso/Norway, departure 21.00 hrs

Day 2 Cruising off North Cape/Norway Honningsvag/Norway, 14.00 – 22.00 hrs

The rugged beauty of the countryside, combined with the powerful waves in the sea, create an unforgettable atmosphere when your ship cruises off the legendary North Cape. The most northerly point on the European mainland is on a majestic cliff 307 m (1,007 ft) above the ocean. The North Cape is a geographical point, as well as a symbol of the spirit of adventure that will also come to life in you.

Honningsvag is the maritime centre of the North Cape region. Its colourful houses are huddled together on the slopes of the local mountain, Storfjellet, which stands at a height of around 300 m (984 ft). Walk from the port to the little shops and restaurants offering Nordic specialities or visit the church built in 1885. When the town was destroyed by German occupying forces in 1944, only the whitewashed church remained undamaged. Take a hike in the surrounding hills to appreciate the idyllic sight of the town today. Honningsvag is also the starting point for reaching the legendary North Cape, where a huge globe symbolically marks the end of the European mainland. The geographical location so far north makes it the perfect place for seeing the Northern Lights.

### Day 3 Alta/Norway, 08.00 – 15.00 hrs

Exceptional weather conditions and the remarkably clear sky have made the region around Alta an ideal place to observe and study the Northern Lights ever since the 18th century. The first Northern Lights observatory was built in the 19th century in the charming little town right at the end of the Altafjord. The Northern Lights Cathedral, with its bell tower spiralling up into the sky, is also worth a visit. The architecture of the building was inspired by the lights in the sky and has a similarly undulating appearance from all sides. Compare for yourself: the aurora borealis can be observed in clear weather in the surrounding area. Alta is the perfect starting point for numerous outdoor activities*.

### Day 4 Harstad/Vesteralen/Norway, 08.00 – 18.00 hrs

Nestled between fjords, mountains and the North Atlantic lies Harstad - the gateway to northern Norway's fascinating island world. The city offers the best of both worlds: a rich history and a vibrant contemporary life, breathtaking nature and cultural diversity. From the traces of the Vikings in nearby Trondenes to the colourful streets and cosy cafes, Harstad tells a story of centuries-old tradition. Culinary delights reflect the region: fresh fish and seafood - especially cod, salmon and king crab - feature on many menus. To experience authentic northern Norway, Harstad is a worthwhile and often underrated insider tip.

### Day 5 Relaxation at sea

### Day 6 Trondheim/Norway, 08.00 – 18.00 hrs

Hungry for adventure or thirsty for knowledge? Trondheim sates both. In the city where Norwegian kings were crowned, you will feel like you have been transported back to the Middle Ages. Old warehouses line the banks of the Nidelva River and horse-drawn carriages rumble through the streets. The city's main landmark, Nidaros Cathedral, reveals Trondheim's Gothic beauty. One of the most magnificent churches in Scandinavia, it has been an important place of pilgrimage for centuries as the tomb of the national saint, King Olav Haraldsson. The cathedral is adorned with around 5,000 sculptures. Will you be able to spot Bob Dylan or other famous faces among them?

### Day 7 Molde/Moldefjord/Norway, 08.00 – 18.00 hrs

Charming Molde, on Romdalsfjord, is also known as the "City of Roses" because of its many rose gardens. Colourful facades line the streets, while the cathedral and the Romsdal Museum invite visitors to take a stroll through history and culture. The spectacular Molde panorama opens up from the Varden viewpoint: more than 200 mountain peaks, many over 1,000 m (3,280 ft) high, frame the dark-blue fjord and offer unique views

for outdoor enthusiasts. Its idyllic location makes Molde the ideal starting point for exploring the dramatic fjord landscape. Cosy cafes and regional restaurants invite you to while away some time, while the surrounding nature is fascinating. Whether you're climbing mountains, relaxing by the fjord or strolling through the narrow streets, Molde shows you Norway from a perspective you won't forget.

Day 8 Geirangerfjord/Norway, 08.00 – 13.00 hrs

Your small expedition ship will also take you to the famous Geirangerfjord as it hugs the coastline. The UNESCO World Heritage Site seems unreal and will draw you under its spell with its majestic mountains and cliffs rising up to 1,000 m (3,280 ft) out of the water. Numerous waterfalls plunge into the fjord, including the "Seven Sisters" with a drop of 250 m (820 ft). Legend has it that the "Suitor" waterfall on the opposite bank had its eye on the beautiful sisters, but its desires remained unfulfilled because of the fjord that kept them apart. Out of frustration, it took to the bottle, which is now apparently reflected in its shape like a liquor bottle. You too will be intoxicated by the sight of this natural wonder, which will stay in your memory forever.

Day 9 Stavanger/Norway, 14.00 – 20.00 hrs

Stavanger is proof of how colourful and picturesque history and monuments can be. In the old town centre, Gamle Stavanger, you will find a collection of narrow cobbled streets and small, white-painted, lovingly decorated wooden houses from the 18th and 19th centuries, which give the historic centre a special kind of charm. Stavanger Cathedral, built in 1125, is Norway's only medieval church to have kept its original architecture in the Anglo-Norman Gothic style. The city also has an interesting story to tell about the history of seafaring and oil extraction. On a walk through its narrow streets, soak up the casual, almost Mediterranean atmosphere in the boutiques, galleries and cafes. Stavanger is the starting point for exploring the impressive Lysefjord.

Day 10 Relaxation at sea

Day 11 Hamburg/Germany, arrival 07.00 hrs Individual travel arrangements from cruise arrival point

Please note:

Itineraries are subject to change.

# YOUR SHIP: HANSEATIC INSPIRATION/SPIRIT/NATURE

| | |
|---|---|
| **YOUR SHIP:** | **Hanseatic inspiration/spirit/nature** |
| **VESSEL TYPE:** | |
| **LENGTH:** | |
| **PASSENGER CAPACITY:** | |
| **BUILT/REFURBISHED:** | |

The HANSEATIC inspiration, spirit and nature are small, state-of-the-art expedition ships with a maximum of 230 guests, offers a perfect blend of adventure and comfort for explorers seeking to uncover the world's wonders. As an international vessel conducting cruises in both English and German, it brings over 30 years of expertise from a market leader in German-speaking countries to every journey. Each expedition is a masterpiece, passionately crafted to reveal far-flung worlds--be it icy realms, tropical paradises, wildlife havens, or cultural gems--making every voyage a unique discovery aboard this exceptional ship. Features of all cabins and suites An ocean view with even more: exclusively outside cabins and suites, almost all with balconies or French balconies Spaciously designed - enjoy a relaxing stay in rooms from 21 m²/226 ft² up to 71 m²/764 ft² in size Exceptionally equipped - for example, with binoculars, Nordic Walking poles, air conditioning, coffee machine and mini bar (free of charge) and 24-hour cabin service Separable beds Rain shower and heated wall in bathroom (e.g. for towels and wet parkas) Extensive infotainment with live broadcast and recordings of expert presentations, forwardview camera, navigation chart, films and much more Restaurants Aboard the HANSEATIC Inspiration and Spirit, a new kind of freedom blends adventure and pleasure with a culinary journey across three exceptional restaurants. The spacious HANSEATIC Restaurant offers flexible mealtimes and a free choice of seating, serving a daily-changing menu of global flavors inspired by local specialties, paired with fine wines and supported by attentive 24-hour cabin service. At the Lido Restaurant, guests can savor breakfast under the open sky or enjoy a perfectly grilled steak from the outdoor barbecue, complete with panoramic views and an open show kitchen. The specialty restaurant Nikkei fuses fine Japanese creations with modern Peruvian cuisine, delivering a unique dining experience that elevates exploration to new heights--all while bars in the Observation Lounge and HanseAtrium offer favorite drinks against stunning backdrops, from Nordic fjords to icy Antarctic vistas. Fitness and Wellness On the HANSEATIC inspiration, an extraordinary time out awaits after thrilling Zodiac rides, challenging hikes, or Arctic adventures. Unwind in the Ocean Spa, where a Finnish sauna with stunning ocean views, a gentle steam sauna, an ice fountain, and a relaxation room rejuvenate your senses, complemented by professional massages, cosmetic treatments, and eco-friendly products made from natural, vegan ingredients. Stay active in the 100 m² fitness room or separate course room--both with ocean vistas--guided by a fitness coach offering personalized advice and a variety of courses, either indoors or on deck. The pool area, with its flexible canopy, invites relaxation year-round, featuring water loungers, a whirlpool, and a bar, ensuring a perfect blend of

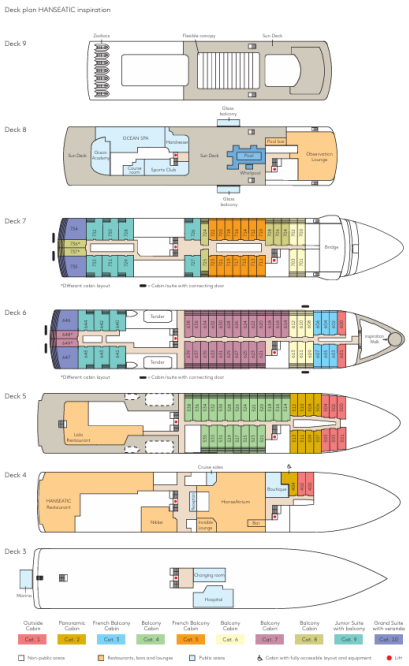

indulgence and revitalization against the backdrop of the open sea. Knowledge Shore excursions and Zodiac rides come alive with deeper context through fascinating presentations in the HanseAtrium, a high-tech lounge where experts share daily precaps and recaps, doubling as an atmospheric evening bar for films and discussions. The Ocean Academy enhances the journey with a Study Wall and interactive poster of scientific insights, microscopes for exploring hidden wonders alongside experts, and Study Seats--with swivel touchscreens--for personal dives into science. Supported by travel diaries and destination videos, this immersive experience broadens horizons with cutting-edge tools and

expertise.
