## NORWEGIAN FJORDS WITH PONANT

Cruise with PONANT on an exceptional itinerary and discover the beauty of the Norwegian fjords. Come aboard the Le Dumont-d'Urville for an 8-day cruise and sail along the Norwegian coastline, whose vertiginous cliff faces have been sculpted by the wind and the sea, giving rise to many unspoiled fjords. Leaving from Oslo, the Norwegian capital with its unique energy, you'll set sail towards Sweden and the city of Gothenburg. You will then take the direction of Arendal, once known as the Venice of the North because of its canals, will be an utterly charming port of call. You will also visit Stavanger, a cosmopolitan and prosperous small town with a perfectly balanced blend of old and new. During your stopover, walk the paved streets and admire the wonderfully preserved fishermen's houses that date from the 18th century. During your cruise, you will have the privilege of sailing in the famous "Lysefjord" (light fjord), flanked by granite cliffs. From the small and charming village of Olden, located a few kilometres from Jostedalsgreen National Park, which is home to one of the last ice caps in Europe, you will have the opportunity to admire the magnificent Briksdal glacier. Your ship will then sail towards the Geiranger Fjord, a UNESCO World Heritage Site, before making its way to the small colourful and cosmopolitan towns of Hellesylt and Alesund. Your cruise will end in Bergen, famous for its Hanseatic wharf which still carries a few traces of the rich historic past of the city founded by the Vikings.

### ITINERARY

Day 1 OSLO

Capital of Norway, Oslo, is a green city. Its many parks and gardens make it the reputedly pleasant city it is. The 80 hectares of Vigeland sculpture parks and its 212 open air exhibitions, the Munch Museum dedicated to the life and works of the Norwegian artist Edvard Munch, plus the Akershus fortress which symbolises Oslo's rich history, are both must-sees. For culture, the national gallery shelters the largest Norwegian collection of paintings, drawings and sculptures open to the public. And, for sports enthusiasts, the Holmenkollen district

with its Ski museum and famous ski jump offer the most stunning, all-encompassing view of the city.

### Day 2 GÖTEBORG (GOTHENBURG)

A lively harbour town, Goteborg is located on the west coast of Sweden, at the crossing of the Gota alv river and the bay of Cattegat. In the old Haga district, you can peruse hippy-chic fashion boutiques and bohemian cafes in the ground floors of traditional wood houses. On the majestic Gustave-Adolphe square, you'll see elegant neoclassical buildings. Not far from here is the municipal museum dedicated to the town's history. In addition, you will be able to sail along Goteborg's numerous canals. As for eating, it's the fish and shellfish which make the gastronomic reputation of this beautiful stopover.

### Day 3 ARENDAL

This port town located on the south coast of Norway is considered to be the locality with the best climate in the entire country. Arendal was long reputed for its iron mines from which, in the 19th century, it was able to produce a particularly strong earthy iron ore.

### Day 4 STAVANGER & SAILING IN LYSEFJORDEN

At the far end of the country, stands the harbour town of Stavanger, with its warm, friendly atmosphere. A friendliness you'll notice in the little old town cobbled streets, which has some 170 old wooden houses, as well as in its modern city

centre, always bustling. You will sail into the heart of one of Norway's most breathtaking fjords, its marvellous decor dominated by pristine nature, between vertiginous granite cliffs, crystal-clear waters and luxuriant vegetation. Very close to Stavanger, the quiet waters of Lysefjorden stretch out over around forty kilometres, beneath impressive rocks. Admire the world-famous site of Preikestolen (Pulpit Rock), a majestic cliff in the shape of a pulpit that rises to more than 600 metres above the waters. A bit further on, Flørli, from the top of its 4,444 steps, is the world's longest wooden stairway, whereas the Kjerag, with its mythical boulder wedged between two rock faces, provides an unusual and unforgettable spectacle.

### Day 5 OLDEN

With its two wooden churches, one red and the other white, plus its breathtaking view of the mouth of the river Oldeelva, Olden looks just like a picture post card. Located a few kilometres from the Jostedalsgreen park, home to one of the last glacier polar icecaps, this little village is a definite must for exploring the blue languages of the Briksdal or Kjennalen glaciers. Make sure you find some time to visit the Norwegian Glacier Museum. Absolutely amazing. Another gem is lake Lovatn and its turquoise waters inviting you to quiet contemplation.

### Day 6 GEIRANGER & HELLESYLT

A must-see stopover in Norway, located halfway between Bergen and Trondheim, Geiranger offers the stunning beauty of a natural decor, listed as a UNESCO World Heritage site. The splendour of the sheer cliffs, dark rock and crystalline water are

the stars of the show here. The sides of the fjord offer many possibilities for hiking: the Eagle's Road takes you up to a steep stretch offering a gorgeous panoramic view. A visit to Geiranger village will immerse you in the rhythm of life in the little local community. Hellesylt is a small village located 20 kilometres from the Geiranger site. Here, you'll get a taste of a traditional Norwegian village. Colourful houses, wooden walkways, rustic stalls where you can have a refreshment before heading off to discover more of the local colour. The surroundings are simply magnificent with cliffs, mountains and lakes with peaceful waters. The village is crossed by a river whose charming cascade tumbles into the fjord waters.

### Day 7 ÅLESUND

Surrounded by a multitude of islands, fjords and majestic mountains, the town of Ålesund surprises many visitors. In fact, it is internationally renowned for its Art nouveau architecture. After the terrible fire of 1904 which reduced a large part of the town to ashes, Norwegian architects inspired by the Art nouveau style contributed to its reconstruction, with a very picturesque result. Not far from Ålesund, you will also discover Giske, the native island of Rollon, the great Viking leader who commanded the Norse expeditions to Normandy, or the beautiful island of Godøy and the village of Alnes, which offers a grandiose panorama over the Atlantic Ocean and the surrounding islands.

### Day 8 BERGEN

Located at the end of Byfjord, Bergen was the capital of Norway in the 12th and 13th Centuries and has preserved some very

beautiful monuments from the time when it was home to royalty. Wandering through Bergen's streets means going back in time, in search of the hidden treasures that have been listed as World Heritage Sites by UNESCO. A veritable openair museum, Bergen is home to a thriving artistic community of painters, potters, jewellers. The Bergen cable car offers you a splendid panorama over the port and the surrounding fjords. Do not miss the visit to the old quarter with its narrow streets, a testimony of the power of the hanseatic League that controlled trade in Northern Europe at the end of the Middle Ages.
