

OCEAN VOYAGE: GUAM - KOBE IN LUXURY

From sea to sea, or from continent to continent, PONANT welcomes you aboard its ships for a Sea Journey. A few times a year we invite sea lovers, dreamers, and keen observers of endless horizons to join our non-stop journeys, to enjoy the comfort of our ships for an extended period and share the daily lives of our crew. As the days go by, you can admire the waves from the upper deck, keep fit in the spa and make good use of the pool or the gym, share the daily life of the crew, discover sailing techniques and instruments, and enjoy a break from the hectic pace of life.

ITINERARY

Day 1 GUAM

In the Western Pacific, you will call at Guam, the largest volcanic island of Micronesia and the Mariana Islands. Here, the crystal-clear waters and white sandy beaches create a picture-postcard setting, ideal for relaxation and a break from it all. This little-known island, today under the administration of the United States, also offers you the opportunity to visit a number of historical sites, vestiges of Spanish colonisation, and to discover the culture of the Chamorros, the first inhabitants of the islands, talented craftspeople who have preserved their traditions.

Days 2 - 5 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 6 KOBE

A coastal city on the main island of Honsh , Kobe is a vital Japanese port. You will be inspired by the authenticity, way of life and heritage of the capital of Hy go Prefecture, which is bordered by the sea. Its beef is internationally renowned, but there is much more to the city's attractions than this delicate speciality. As soon as you arrive, you will be welcomed by the Kobe Port Tower, located, along with the Maritime Museum, in the much appreciated Meriken Park. The Mount Rokk National Park is a real island of greenery in the very heart of the vibrant city. Long frequented by Shinto monks, then popular with the expatriates who flocked to Kobe during the second half of the 19th century, it is one of the symbols of the city.
