ITINERARY

Day 1 - Bergen

Located at the end of Byfjord, Bergen was the capital of Norway in the 12th and 13th Centuries and has preserved some very beautiful monuments from the time when it was home to royalty. Wandering through Bergen's streets means going back in time, in search of the hidden treasures that have been listed as World Heritage Sites by UNESCO. A veritable openair museum, Bergen is home to a thriving artistic community of painters, potters, jewellers. The Bergen cable car offers you a splendid panorama over the port and the surrounding fjords. Do not miss the visit to the old quarter with its narrow streets, a testimony of the power of the hanseatic League that controlled trade in Northern Europe at the end of the Middle Ages.

Days 2 - 11 - At sea aboard Le Commandant Charcot

Spend exceptional moments sailing aboard Le Commandant Charcot, the world's first luxury polar exploration vessel and the first PC2-class polar cruise ship capable of sailing into the very heart of the ice, on seas and oceans which the frozen conditions render inaccessible to ordinary ships. Le Commandant Charcot is fitted with oceanographic and scientific equipment selected by a committee of experts. Take advantage of the on-board lectures and opportunities for discussion with these specialists to learn more about the poles. Participate in furthering scientific research with PONANT and let us discover together what these fascinating destinations have yet to reveal to us.

Day 12 - Montreal

Famous for its gentle way of life, Montreal, Canada's second-largest city, is a warm and cosmopolitan metropolis. Situated on the eponymous river island, it is home to a multitude of districts, each as unique as the other. Set off to discover Old Montreal, most of which is declared a historic area, Little Italy, where you'll be able to stroll around the largest open-air market in North America, or the Golden Square Mile, the luxurious district located on one of the hills of Mount Royal and which has sumptuous Victorian-style residences. Simultaneously marked by the influences of the Old Continent and North-American gigantism, Montreal will never cease to amaze you.
