

# OCEAN VOYAGE: FROM BERGEN TO QUEBEC IN LUXURY

The sea exercises an undeniable power of attraction. A fascinating adventure awaits you on this sea voyage aboard _Le_ _Commandant Charcot_ , the first hybrid electric polar exploration ship, During this voyage with the ocean as the horizon, you will share an on-board experience that follows the pace of the ship and its crew. In this precious cocoon in which it feels good to warm up and take shelter so as to get more out of the exterior, let yourself be tempted by a dip in the Blue Lagoon while you enjoy the light over the sea. The indoor pool, the gym and the fitness classes, the Biologique Recherche spa, with its treatment rooms, massages and sauna, the snow room and the hair salon will also allow you to unwind without a care in the world. Enjoy this crossing aboard _Le Commandant Charcot_ , like a prelude to the infinite possibilities of knowledge and openness to the world that it promises, between a conscious adventure and new explorations.

## ITINERARY

Day 1 - Bergen

Located at the end of Byfjord, Bergen was the capital of Norway in the 12th and 13th Centuries and has preserved some very beautiful monuments from the time when it was home to royalty. Wandering through Bergen's streets means going back in time, in search of the hidden treasures that have been listed as World Heritage Sites by UNESCO. A veritable openair museum, Bergen is home to a thriving artistic community of painters, potters, jewellers. The Bergen cable car offers you a splendid panorama over the port and the surrounding fjords. Do not miss the visit to the old quarter with its narrow streets, a testimony of the power of the hanseatic League that controlled trade in Northern Europe at the end of the Middle Ages.

Days 2 - 9 At sea aboard Le Commandant Charcot

Spend exceptional moments sailing aboard Le Commandant Charcot, the world's first luxury polar exploration vessel and the first PC2-class polar cruise ship capable of sailing into the very heart of the ice, on seas and oceans which the frozen conditions render inaccessible to ordinary ships. Le Commandant Charcot is fitted with oceanographic and scientific equipment selected by a committee of experts. Take advantage of the on-board lectures and opportunities for discussion with these specialists to learn more about the poles. Participate in furthering scientific research with PONANT and let us discover together what these fascinating destinations have yet to reveal to us.

Days 10 - 11 Québec

The capital of "La Belle Province" sits at the confluence of the St Charles River and the Gulf of St Lawrence in south-east Canada. Founded in the 17th century, the city still has an encircling wall, a historic civil engineering work and the only one of its kind remaining in North America. You will love the postcard-perfect stone houses of Old Quebec, the historic district listed as a UNESCO World Heritage site. Shopping is a pleasure in pedestrian streets such as Petit-Champlain Street, or you can relax over a spruce beer, seasoned with pine buds. Dufferin Boardwalk, an esplanade near the emblematic Chateau Frontenac, is the perfect place for views of the river and old city.
