OCEAN VOYAGE: FROM CAPE TOWN TO BREST IN LUXURY

PONANT invites you to spend several days aboard Le Commandant Charcot, the first hybrid electric polar exploration ship, enjoying an immersive interlude during an Ocean Voyage. Leaving from Cape Town, you will set sail north for a five-day voyage, without ports of call, to Brest. The sea exercises an undeniable power of attraction. Infinite time and space take on their full meaning in the heart of the elements, inviting you to humbly enter the here and now. As lovers of the sea, experienced observers and curious explorers of the planet, you can make the most of this rare opportunity and, alongside those who bring the ship to life, discover the soul of Le Commandant Charcot, which is fitted out for polar exploration. During this voyage with the ocean as the horizon, you will share an on-board experience that follows the pace of the ship and its crew. You will feel the majesty and the power of this ship, whose design is a genuine technological achievement. Alongside the naturalists who will share their knowledge of the polar regions with you, you will understand the challenges of scientific knowledge and gain awareness about the actions of the company, which is committed to preserving biodiversity. Following in the wake of Commandant Cousteau, we are convinced that people only really protect what they know. The interior design, entrusted to the architects Jean-Michel Wilmotte and Jean-Philippe Nuel, provides a precious cocoon in which it feels good to warm up and take shelter so as to get more out of the exterior. Noble materials, soft tones, subdued lighting, refined decoration. The gastronomy symbolises French-style luxury and will offer you fine epicurean escapades, thanks to the menus imagined by Michelin-starred chef Alain Ducasse and the

signature dishes served in his restaurants. Let yourself be tempted by a dip in the Blue Lagoon while you enjoy the light over the sea. The indoor pool, the gym and the fitness classes, the Biologique Recherche spa, with its treatment rooms, massages and sauna, the snow room and the hair salon will also allow you to unwind without a care in

the world.
