ITINERARY

Day 1 - Nuuk

When Erik Le Rouge, the exiled Norse chief, landed on the coast of Nuuk, he found a fertile and welcoming land dotted with fjords. He settled there with a group of his former countrymen, and **the Norse** remained the principal inhabitants until, over a period of 500 years, their population declined and gave way to the Inuit. **Nuuk** is situated at the mouth of one of the largest networks of fjords in the world, where the waters never freeze. The town spreads gently out towards the **Davis Strait** and enjoys an historic center that is particularly rich in national heritage. The vivid reds, blues, greens and yellows of the houses are a lively contrast to the somber waters of Greenland and serve to lift the spirits of the locals during the

Winter months.

Days 2 - 5 At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Days 5 - 6 - Saint Pierre Island, Saint Pierre and Miquelon

Off the Canadian coast, discover **Saint Pierre Island** , one of the two main islands of the Saint Pierre and Miquelon archipelago, the only French territory in North America. Endowed with a **natural harbour** , the island, whose name is a reference to the patron saint of fishermen, developed around the fishing industry and still has many traces of its past today. Whale hunting, cod fishing, alcohol smuggling during the Prohibition: all of these memories are still very much alive in the capital, Saint-Pierre. The island is also renowned for the observation of exceptional fauna including, among others, **whales, fin whales, dolphins, seals, puffins and petrels**.

A sleek silhouette, a welcoming intimate atmosphere, discover aboard this new ship the philosophy that has made our sisterships such a success: the spirit of Yacht Cruises. Sailing under the French flag, this magnificent yacht of only 122 staterooms and Suites, with balconies, will join our fleet in April 2015. You will be enchanted by the contemporary decor inspired by the our destinations and the blue light of the Vega star in the Lyra constellation. The result is a subtle variation around a palette of blues, ranging from the luminous delicate grey-blue of the Polar ice to splashes of the vivid turquoise blue found in Mediterranean coves A refined ambiance is enhanced by the quality of the workmanship and materials: white Corian counters in the lobby contrast with the warmth of leather to recall a boat's hull, while the central sculpture of enamelled pieces takes its inspiration from the sea. In the loungebar, the carpet picks up a tennis stripe theme symbolising a certain idea of cruising, one synonymous with French elegance and a chic seaside spirit.
