From sea to sea, or from continent to continent, PONANT welcomes you aboard its ships for a Sea Journey. A few times a year we invite sea lovers, dreamers, and keen observers of endless horizons to join our non-stop journeys, to enjoy the comfort of our ships for an extended period and share the daily lives of our crew. As the days go by, you can admire the waves from the upper deck, keep fit in the spa and make good use of the pool or the gym, share the daily life of the crew, discover sailing techniques and instruments, and enjoy a break from the hectic pace of life.

ITINERARY

Day 1 - Ushuaia

Capital of Argentina's Tierra del Fuego province, Ushuaia is considered the gateway to the White Continent and the South Pole. Nicknamed "El fin del mundo" by the Argentinian people, this city at the end of the world nestles in the shelter of mountains surrounded by fertile plains that the wildlife seem to have chosen as the ultimate sanctuary. With its exceptional site, where the Andes plunge straight into the sea, Ushuaia is one of the most fascinating places on earth, its very name evocative of journeys to the unlikely and the inaccessible...

Days 2 - 6 At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 7 - Buenos Aires

A port city built on the south-western shore of the Rio de la Plata, between the Atlantic Ocean and the vast Argentine Pampas, Buenos Aires is a unique city in Latin America. Nicknamed "the Little Paris of South America", the Argentine capital is a clever blend of architecture with European influences and a joyful Latin American atmosphere. Designed on an orthogonal grid plan, it has 48 districts, all of which are as charming as they are different, with a range of styles such as Belle Époque, gothic and baroque. With its markets overflowing with treasures, its legendary cultural and architectural heritage, and tango providing its background music, the Argentine capital will delight you on every street corner.
