Steel used to be manufactured in Bilbao and it now plays a major role here, since other renowned architects have also been inspired to give Bilbao an attractive, distinctive look. Cross the futuristic Calatrava Bridge to reach the old town, where you can take a delightful stroll round the lanes and enjoy the art of Basque cuisine.

### DAY 2 | GIJÓN/SPAIN

Arrival 02.00 pm, Departure 07.00 pm As an old port metropolis and capital of the Costa Verde or Green Coast, Gijón looks back on a long seafaring tradition. Especially in the quaint fishing quarter of Cimadevilla, colorful, rambling houses exude the charm of times gone by. About 18 miles away, Oviedo was once the residence of the independent kingdom of Asturias. Today, the picturesque old town is a UNESCO World Heritage Site. The best starting point for a walk along the well-kept cobblestone streets (for instance, to the famous cider taverns) is Oviedo's cathedral with its Gothic spire of openwork stone.

### DAY 3 | DAY BENEATH FULL SAILS

Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

### DAY 4 | A CORUÑA/SPAIN

Arrival 08.00 am, Departure 06.00 pm The old city of A Coruña is set picturesquely on a peninsula and its landmark is the

Tower of Hercules, over 2,000 years old, set on the headland in front of the city. Culture, history and art come face to face with traditional Galician lifestyle. Santiago de Compostela, one of the world's most famous pilgrimage sites, is the goal and climax of the Camino de Santiago, a path that has existed since the 11th century. The beautiful cathedral, one of the most important pilgrimage sites in Christendom next to Rome and Jerusalem, also dates back to this time. It is a UNESCO World Heritage Site, as is the old city. A special ritual takes place here - the Botafumeiro, where a huge thurible is swung through the magnificent transept.

### DAY 5 | VIGO/SPAIN

Arrival 02.00 pm, Departure 11.00 pm

### DAYS 6 - 7 | PORTO (LEIXÕES)/PORTUGAL

Arrival 02.00 pm Porto considers itself the country's secret capital. The narrow lanes of the historic old town "Ribeira", a UNESCO World Heritage Site, extend in terraces up the slope overlooking the Douro. The former working class district has blossomed into a beautifully restored trendy neighbourhood. A student of Gustave Eiffel created the bold design for the bridge, which stretches over the river in a wide arc and links the Ribeira with Vila Nova da Geia and its 50 port wineries that lie on the other side. The best way to reach the incredible Douro Valley and the countryside of the Alto Douro wine region, also a UNESCO World Heritage Site, is by river.
