

PANAMA, COLOMBIA & CARIBBEAN ISLANDS LUXURY CRUISE

Explore the breathtaking landscapes and vibrant culture of the Caribbean Sea. On the Panamanian and Colombian coastlines , lush mangroves and lively towns recount the colonial past of the region, featuring Congo ceremonies and sleepy ruins. Off the coast, the turquoise sea wraps itself around stunning archipelagos, such as the San Blas Islands , home to the Kuna community, or the Grenadines, like a confetti of islets bound together by the most beautiful coral reef in the West Indies. In these crystal-clear waters, the underwater life is mesmerising, as are the panoramas provided by the Pitons of Saint Lucia and the gentle Creole way of life pervading Les Saintes.

ITINERARY

Day 1 - Colón

Col on is the second largest city in **Panama** , at the Caribbean entrance of the **Panama Canal**. Colon is today an important port, and the free trade zone created in 1953 contributed greatly to the development of the city. Colon was founded in 1850 by Americans working on the Panama railroad connecting the Atlantic and Pacific coasts through the isthmus of Panama; the city rapidly overshadowed the older **Caribbean** ports of Panama when the canal opened.

Day 2 - San Blas Islands

Located on the north-east coast of **Panama** , the **San Blas archipelago** is a string of coral islands in the heart of the

Caribbean Sea. More than 300 islands and cays cover an area of 300 square kilometres offering travellers a multitude of treasures. Sheltered behind a long coral reef,**the San Blas Islands** are full of enchanting anchorages. The long sandy white beaches bound by crystal-clear waters will allow you to relax and enjoy incredible marine fauna before engaging with **the Kunas Indian community**. Still subsisting on hunting and fishing, they will welcome you in their villages of bamboo houses gathered near the beaches.

Day 3 - Cartagena

A splendid harbour city in the north of Columbia, a source of inspiration for the Columbian writer Gabriel Garcia Marquez, **Cartagena** will win you over with its well-preserved colonial architecture, and warm friendly atmosphere. You can visit the sumptuous **UNESCO World Heritage **fortified historical centre whose churches and houses have magnificent multi-coloured façades. A witness of Spanish domination, the **San Felipe de Barajas fortress **stands on top of a hill from where you can admire views over the whole city. The **Las B ovedas **neighbourhood will charm you with its arcades, used as prison cells during the 19th century civil wars.

Day 4 - Santa Marta

Santa Marta, located in the north of the **Caribbean coast** of **Colombia** , is a seaside town dominated by the majestic **Sierra Nevada.** The highest coastal chain of mountains in the world, it is listed as a **Biosphere Reserve by UNESCO** for the diversity of its fauna and flora. At the heart of the**first Spanish colony** , you will discover the heritage of the **Tairona** , the largest **indigenous civilisation** in Colombia. The eponymous **national park** offers you sumptuous landscapes, combining lush tropical forest and beautiful fine sandy beaches edged with crystal-clear water. The **archaeological heritage** and the **Pre-Columbian treasures** of the region are a source of endless enchantment.

Day 5 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 6 - Bonaire

Surrounded by a barrier reef and a marine sanctuary, Bonaire is a true **paradise for divers**. This peaceful and preserved little island is renowned all over the world for**its coral reefs, which are directly accessible from the beach** , providing a unique sensation of freedom. Discover magnificent marine fauna and flora while snorkelling or diving in its turquoise waters. The Washington Slagbaai **National Park** in the north of the island is home to many birds. It is the most important breeding site in the**south Caribbean** for the **pink flamingo** , the island's emblematic animal.

Day 7 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 8 - Mayreau Island

Day 9 - Pigeon Island Beach

Linked to **St Lucia** by a sand causeway, **Pigeon Island** has been a designated National Park since 1979. On this wild and pristine land, you will be inspired to take pleasant walks amid the tropical vegetation and through a **magnificent tree-filled garden**. You will also be irresistibly drawn to the two pretty little sandy beaches nestling on the southern side and bathed by crystal-clear waters. While snorkelling, be sure to explore the underwater world that is teeming with life, along the rocks lining this peninsula's coast. You will thoroughly enjoy the calm and beauty of this place, which is really conducive to simply relaxing.

Day 9 - Soufrière

Nestled in the crook of a breath-taking bay, the former capital of **St Lucia** is brimming with attractions. **Soufri ere** is famous for The **Pitons** , volcanic spires that tower over the entrance to the town. In the vicinity of the lush botanical gardens, you will be able to enjoy the curative powers of the **Diamond Falls mineral baths**. From the beach at the north end of the bay, you can set off to explore the reefs that are home to stunning gardens of sea fans at the foot of the cliffs that plunge into the sea.

Day 10 - Les Saintes

During the feast of All Saints in 1493, **Christopher Columbus** discovered this archipelago of nine islands that he named "The Saints". Today, only two of them are inhabited. Terre de Haut, in the east, is dominated by the Morne Mire hill; at the summit stands **Fort Napoleon** , paying homage to the islands' history. In the heart of the **botanical garden** , shared by iguanas and cacti, there is an exceptional view of the **Baie des Saintes** , one of the most beautiful in the world. The long shady beach of Pompierre, where it is forbidden to drop anchor, is a peaceful place for a swim, while Pain de Sucre Beach offers wonderful opportunities for snorkelling. On the island, don't forget to taste the local speciality, the "tourment d'amour", a cake made with coconut.

Day 11 - Fort-de-France

Located on the western coast of Martinique, Fort-de-France will amaze you by the splendour of its bay, a magnificent cut-out in the coastline, considered as one of the most beautiful in the world. At the harbour mouth, on its strip of land, **fort Saint-Louis** overlooks the capital city of Martinique. If you climb up to it, you can see some breath-taking views. **Saint Louis Cathedral** and the Schoelcher library bear witness to a secular history, intimately linked to the island's story. Why not try some fresh coconut at the colourful Grand Marche. Two really pleasant places you can take a breather in, right in the heart of

the city, are the garden of Balata and the Aime Cesaire park.
