PEARLS OF THE LESSER ANTILLES AND THE GRENADINES

Special Offer Cruise - Rates are Lower than Usual! Start off the New Year in the laid-back Caribbean and discover the pearls of the Lesser Antilles and the Grenadines. Grenada the island of spice Although Grenada has been blessed with around 45 picture-perfect beaches, the countrys real treasure remains its lush, green island interior. Deep volcanic lakes, dense rainforests, waterfalls and small river courses form the primordial backdrop of the islands sugar cane fields and spice plantations. It is the reason why the scent of cloves, cinnamon and nutmeg hangs in the air wherever you go on Grenada. Snorkellers paradise in the Tobago Cays For many, life under water is a fascinating world one that becomes even more magical the closer you get. The Tobago Cays Horseshoe Reef is such a place. This horseshoe-shaped coral reef encloses four small islands that glow in rich shades of green. The sea, in contrast, embraces turquoise, emerald and every shade of blue. The magnificent Pitons of St Lucia Gros and Petit Piton, the two famous volcanic plugs that tower over St Lucia, could have come straight out of a tropical storybook. They are a UNESCO World Heritage Site and offer a spectacular panorama as the SEA CLOUD II sails closely alongside their slopes. A day at the beach on the popular sailors island of Bequia The SEA CLOUD II drops anchor in Admiralty Bay at Port Elizabeth on Bequia. It is the meeting place for roundthe-world sailors and private luxury yachts. Our zodiacs bring you to the town or to one of the islands most beautiful beaches. You will have plenty of time for whatever you choose, be it swimming, snorkelling or taking a stroll.

ITINERARY

Day 1 - Bridgetown (Barbados)

Guests arrive individually in Barbados. Embarkation on the SEA CLOUD II. More than 300 years of British rule have left their mark. The whole of Bridgetown, Barbados' historic centre, with its colonial architecture surrounding Trafalgar Square, is a UNESCO World Heritage Site. Gentle green hilly countryside and endless fields of sugar cane characterise the island's landscape.

Old colonial houses are reminders of the high life of the plantation owners, while innumerable colourful chattel houses are evidence of their workers' "moveable property". The sweeping coastline is a picture postcard of fine sandy beaches and turquoise sea surrounded by colourful coral reefs.

[Days 2 & 3 - Man-O-War Bay/ Tobago \(Trinidad & Tobago\)](#)

Optional Excursion to the Argyle waterfall or on a glass-bottom boat.

[Day 4 - St. George's \(Grenada\)](#)

Beautiful beaches, aromatic spice plantations, dense rainforests, waterfalls and a volcano that has long been extinct, picturesquely towering over this stunningly beautiful island. For many people, Grenada is the incarnation of a tropical paradise and St George's the most beautiful little port in the Grenadines. All around the horseshoe-shaped bay there are numerous houses that remind you of colonial times. There is good reason why nutmeg is immortalised on the national flag. Alongside cloves, cinnamon and ginger, it is one of the island's biggest exports. Optional Island tour of Grenada or walk to the Seven Sisters.

[Day 5 - Tobago Cays & Chatham Bay/Union Island \(St. Vincent and Grenadines\)](#)

Right in the south of the Grenadines are Union Island and the Tobago Cays. Union Island was given the evocative name "the Tahiti of the West Indies" thanks to its volcanic silhouette. Four small uninhabited islands, surrounded by a protective horseshoe-shaped coral reef, form the Tobago Cays. The Horseshoe Reef holds the Atlantic swell at bay and its unique animal and plant life make it an ideal place for snorkelling. The lagoon between the islets shimmers in all shades from turquoise

through to emerald green and invites you to take a dip at the fantastic beaches. Optional Snorkelling and swimming excursion to the Tobago Cays.

[Day 6 - Soufriere \(St. Lucia\)](#)

Two famous volcanic cones are indisputably the emblem of St Lucia and have been designated as UNESCO World Heritage Sites. Gros and Petit Piton tower over the southern, windward side of the island and, in Soufriere, seem close enough to touch. The volcanoes have in fact long been extinct, but the sulphur springs demonstrate the power of the earth's core and still bubble up. In the Botanical Gardens, natural abundance is combined with artistic arrangements to create a colourful tropical paradise. Some people claim that Josephine, who later became Napoleon's wife, used to bathe in the little pool in the garden. Optional Excursion to the botanical gardens and the volcanic sulphur springs.

[Day 7 - Port Elizabeth/Bequia \(St. Vincent and Grenadines\)](#)

Bequia is actually the largest island in the Grenadines, but still small and tranquil at just 18 square kilometres (87 square miles) in size. Elegant sailing yachts sway in the natural shelter of Admiralty Bay, while in lovely Port Elizabeth, with its attractive beach bars, you are right in the heart of a lifestyle that likes to take things easy. You can find Princess Margaret Beach just nearby, named because it was once visited by the British royal. On the eastern coast you can find the Old Hegg Turtle Sanctuary which focuses on rearing and caring for endangered turtles. Optional Excursion to a turtle sanctuary.

[Day 8 - Bridgetown \(Barbados\)](#)

More than 300 years of British rule have left their mark. The whole of Bridgetown, Barbados' historic centre, with its colonial

grandeur of travelling under sail, rekindling memories of a

bygone age.

Launched in 2001, Sea Cloud II is a stunning vessel, built along traditional lines, but offering deluxe accommodation. She combines timeless elegance of sailing ships of the past with the highest safety standards and the luxurious comfort of modern cruise ships. Just like her legendary sister ship Sea Cloud, the 29,600 square feet of sails is set by hand which is a truly magical sight. Built to accommodate 96 passengers in five star luxury, she offers a range of beautifully appointed suites and cabins which are furnished with great style. All accommodations have outside views and the bathrooms, in light marble, are unusually spacious and extremely comfortable. The finest, carefully chosen fabrics, combined with leather, rattan and other materials, brass and gold, precious woods and marble together create an impressive ensemble. No expense has been spared to create a sympathetic ambience in both the accommodations and public areas and this is reflected throughout the vessel. Public areas include an elegant lounge, library, fitness centre, boutique, lido bar and hospital. The single sitting dining room is airy and modern and the quality of the cuisine and service will be to the highest of standards, as one would expect on a Sea Cloud cruise. Relax on the Lido deck and experience the natural
