PHNOM PENH AND SIEM REAP - DOWNSTREAM 4 DAY RIVER CRUISE

Combine the ancient temples of Angkor in Siem Reap with Cambodia's bustling capital city Phnom Penh with this expeditions on the Tonle and Mekong Rivers. There can be no tapestry of river life as fascinating and varied as the River Mekong. Indeed there can be no more striking a cultural contrast as that between the bustling Vietnam delta and the tranquility of Cambodia. We pass from the vibrant French colonial port of Saigon, through the vast delta so rich in human life and endeavour, to travel along the main channel into the rich countryside of Cambodia. With a full day in charming Phnom Penh we then explore remoter waterways as we progress to the great monuments of Angkor. **HIGH WATER NOTICE:** During the months September to November, water levels may rise significantly leading to issues accessing the Tonle Sap River. During this time, we may replace itinerary points on the Tonle Sap with sailing north to Kratie and excursions at the dolphin grounds.
