We continue our cruise to the Brijuni National Park, once the personal State Summer Residence of President Marshal Josip Broz Tito. On the island, flora, fauna, and heritage are uniquely and harmoniously blended. Following our visit, lunch is served on board, before we reach Pula, arguably one of the most beautiful Istrian cities. We walk in the footsteps of the Romans and visit the Amphitheatre in Pula. The rest of the day is at leisure to discover this ancient town on your own. (B, L)

In the morning we visit of Mali Losinj. Thanks to its mild climate, pinewoods, and fresh air, the island of Mali Losinj is an ideal place to rejuvenate. Afterward, lunch is served aboard, while we continue our journey towards Zadar. There is time for a swim near one of the small islands along the way. We start the day in Split with a walking tour, featuring the historic inner city built around the Palace of the Roman Emperor Diocletian, a UNESCO World Cultural site. We see the remnants of Split's Roman heritage, its Renaissance and Gothic structures, Jupiter's Temple and its Cathedral. Then we board our ship for lunch, and cruise towards Hvar, Croatia's sunniest island with 8 centuries of architecture waiting to be explored. On our walking tour, through the picturesque little streets we discover the first public theatre in Europe. The rest of the day is free to pop into craft shops, cafes and restaurants, tucked into old Venetian palaces. (B, L) *Note: Due to the limited capacity of the Hvar harbor (during peak season in July and August) the port of call can be substituted for Stari Grad/Jelsa. In that case, transfer by bus will be organized to and from Hvar.

DAY 6 FRI KORCULA - MJLET

This morning, the clear blue waters of the Adriatic bring us to the magical island of Korcula and its fairy-tale like walled town. The island is believed to be the birthplace of the explorer Marco Polo. Our walking tour takes us through its narrow, cobble stone streets, and includes a visit to the majestic Gothic-Baroque Cathedral of St. Mark. Lunch is served on board as we set sail for Mljet Island. Mljet National Park features five types of forest, many species of birds, and two deep lakes called Veliko Jezero (Big Lake) and Malo Jezero (Small Lake).
