vegetation and crystal clear sea. Lunch on board. Afternoon arrival in Korula. This medieval "little Dubrovnik", said to be the birthplace of Marco Polo, has an ancient atmosphere and we will enjoy getting to know it on an interesting tour along its winding streets (only in case you have purchased our excursion package). After the tour, make the best of some free time and sip a glass of local wine or coffee at an outdoor cafe, take a dip in the sea or just continue walking the streets. Overnight in Korula.

DAY 3: KORULA - ELAPHITI ISLANDS - DUBROVNIK (B, L)

Early in the morning we depart to Elaphiti Islands with plenty of time for swimming along the way. As we continue our journey towards Dubrovnik, enjoy the lunch while sailing alongside the old city walls. This is the perfect time for you to make some magnificent photos and memories that will last a lifetime. Mljet is also well known for its two salted lakes - Veliko and Malo Jezero located at the north end of the island. The Benedictine monastery, situated on the island of St. Mary on Veliko Jezero, one of the most beautiful locations in the area, is also the most visited spot and symbol of the National Park. Early in the morning we set sail to Hvar. It is the longest island in Croatia and the sunniest in all Europe (2724 sunny hours each year) and undeniably among the most beautiful islands in the world. You probably don't know that the first theatre in Europe is located here in Hvar (older than Shakespeare's theatre in the UK) which is only one detail testifying to the island's rich cultural heritage. In case you have purchased our excursion package, you can join the guided tour of Hvar and learn why this amazing town is a must see on the historical map of the Croatia. Your evening is free to explore this amazing holiday spot by yourself. We suggest you to take a jeep safari which will take you away from the popular tourist resorts, on an intoxicating voyage of discovery through the aromatic hills of rosemary and lavender, through the various hilltop villages of the island, and along tracks off-limits to most vehicles. Note: port of call can be substituted for Stari Grad because of the limited capacity of Hvar harbour. In that case transfer to and from Hvar will be provided.

DAY 6: HVAR - STARI GRAD (B, L)
