The true architectural jewel of downtown Charlottetown is the majestic St. Dunstan's Basilica. Adorned by three copper spires visible virtually anywhere in the city, the church adds to the Victorian splendor of the downtown core.

Day 2 Pictou, NS

The Town of Pictou, located on the beautiful Northumberland Shore of Nova Scotia, is renowned as the "Birthplace of New Scotland," since it was here that the first wave of Scottish immigrants landed in 1773. Led by our local guide, explore Pictou's 18th-century style homes on tree-lined streets and be welcomed by its warm and charming community.

Day 3 Lunenburg, NS

Lunenburg was the first British Colonial settlement in Nova Scotia and remains one of its most historic and charming villages. Many of the downtown buildings possess a distinctive style with ornamental brackets and towers which complement their brightly painted designs. A growing number of art galleries and crafts shops also make for a rewarding browsing experience. The picturesque Lunenburg waterfront is the home of the world-class Fisheries Museum of the Atlantic, with aquarium exhibits and a replica of Bluenose, Canada's most-recognized and most-storied ship.

Day 4 Grand Manan, NB

This serene island has a rich maritime history that reflects centuries of seafaring traditions. Its lighthouses, some dating back to the 1800s, guided ships safely through the often-treacherous waters of the Bay of Fundy. Enjoy a guided tour of Grand Manan Museum, which features fascinating displays on the history of the island. Tour the breathtaking coastline and view lighthouses that have guided fishermen into Grand Manan's harbors for decades. View the Swallowtail Lighthouse, one of the most photographed lighthouses in New Brunswick.

Day 5 Saint John, NB

Founded in 1604, Saint John is Canada's oldest incorporated city, with a storied past shaped by Loyalist settlers and maritime trade. History comes alive in its well-preserved neighborhoods, heritage buildings, and the iconic Reversing Falls Rapids, where the Bay of Fundy tides dramatically meet the Saint John River. See this natural wonder and experience a delightful blend of past and present on a trolley ride through the historic district.

Day 6 Saint John, NB

On your second day in Saint John, discover the flavors of the city. Stop at a family-run maple sugar farm and enjoy the age-old tradition of maple taffy on snow. Visit a third-generation cider production facility and tasting room. Delight in tasting one

of their many unique ciders, proudly made with 100% New Brunswick apples. Next, explore Canada's oldest independent brewery and sample a variety of award-winning beers fresh from the aging tanks.

Day 7 Eastport, ME

Explore this small coastal city on Moose Island, known for its deep natural harbor and notable sardine industry. Today, it offers beautiful waterfront views, inviting shops and galleries, and a peaceful atmosphere.

Enjoy the unique opportunity to cruise on an authentic Maine lobster boat and explore the state's top commercial fishery, pulling a lobster trap with a licensed fisherman. Along the way, spot wildlife such as porpoise, seals, bald eagles, and osprey, experience 26+ foot tides, and navigate the "Old Sow" whirlpool.

Later, visit a local brewery to indulge in a legendary Maine lobster roll and discover the remarkable journey of lobsters from ocean to plate--perfectly paired with a handcrafted beer or cider.
