REMOTE SULAWESI ISLAND ADVENTURE - INDONESIA SAILING CRUISE

Sulawesi, the world's 11th largest island, resembles a monster-shaped letter 'K' in the heart of Indonesia. Our adventure explores the Togeian Islands off Central Sulawesi. These 56 islands form a nature haven with pristine beaches, clear turquoise waters and vibrant reefs. In the Togeans, you can snorkel with stingless jellyfish, hike to Una Una's volcano, and encounter whale sharks near North Sulawesi's Gorontalo. Our activities include kayaking, snorkeling and scuba diving over coral reefs teeming with marine life. We might meet the Bajo people, extraordinary free divers living in stilt villages, perfectly in harmony with the sea. The liveaboard journey allows for extensive exploration of these remote gems, offering daily adventures, delicious meals, comfortable cabins and relaxation after each day's discoveries.
