THE ROUTE OF CHARLES DARWIN (3 NIGHTS)

We are pleased to announce the launch of this themed Patagonia cruise in January 2016, focusing on the voyage of the HMS Beagle. Renowned experts will be on board to highlight Darwin's landing points and his scientific discoveries. Two centuries after his birth, Darwin continues to surprise the world with his theories on natural selection, his detailed observations and interpretations. Charles Darwin left the world his amazing legacy after sailing through Patagonia and Tierra del Fuego, and you can trace his steps. Visit Patagonia and explore the old stomping grounds of world famous scientist Charles Darwin.
