ITINERARY

Day 1 Welcome aboard the True North

Your "welcome aboard" the luxurious TRUE NORTH is in the frontier pearling port of Broome. embarkation is at 1700 – time for a cocktail with your fellow adventurers before departing at approximately 1800. Dinner is served shortly after leaving port and then it's an overnight steam to the Rowley Shoals. (Please note that the TRUE NORTH visits the Rowley Shoals only during the months of September, October and November. These months are normally associated with "the doldrums" – a period of light winds and calm seas. In addition, the TRUE NORTH is fitted with computer controlled motion stabilisers that minimise vessel movement. Guests can therefore anticipate comfortable conditions when travelling to the Shoals – however observing the normal precautions associated with the prevention of seasickness is always recommended.)

Day 2 Clerke Reef

Arrive early at Clerke Reef and enjoy a sumptuous breakfast before heading-out with our experienced crew to explore the atoll's huge lagoon. You will marvel at pristine reefs teaming with life – clouds of fish and corals of every imaginable shape and colour. There will be opportunities for diving on the outer reef, relaxed snorkelling in tropical waist deep water, beach combing on Bedwell Island, or perhaps some "catch and release" lagoon fishing using eco-friendly tackle. Our experienced crew will be on-hand to personally introduce the delights of this remarkable coral atoll. When you're not on excursion, relax onboard TRUE NORTH and enjoy our renowned cuisine in air-conditioned comfort. The licensed open-air bar will definitely be the spot to witness your first 'Rowley's Sunset'.

Even if you have never put your head under water before – this is an absolute must. The water is only waist deep however the experience is literally 'out of this world'! More brilliantly coloured corals, giant clams and more than 600 of the world's most beautiful tropical fish species at your fingertips! Don't forget your underwater camera. Snorkelling on the outer reef of a coral atoll is a totally different experience – sheer coral walls teeming with life will take your breath away. The fishing boats will troll the deep blue in search of pelagic species such as Spanish mackerel, giant dog tooth tuna, wahoo and of course the fastest fish in the sea - the prized sailfish!
