ITINERARY

DAY 1 Discovering Norway's capital

Oslo

Welcome to Norway. First stop: Norway's thriving capital, Oslo.

If you have time before you board your ship for the voyage ahead, you'll want to explore the many charms this cosmopolitan capital has to offer. Make your way to the city centre, where you can take snaps of the architecturally distinct Radhuset town hall, Royal Palace, and Oslo Cathedral.

As afternoon turns towards evening, board your ship, MS Trollfjord. Once we've welcomed you and you've settled into your cabin or suite, you'll meet your Coastal Experience Team. You'll get to know each member of the team as they give lectures and organise onboard activities throughout your voyage.

Meet your fellow guests in the ship's two-storey panorama

lounge and watch as the capital's twinkling lights fade into the distance.

DAY 2 Settle in at sea

This is your chance to settle into your cabin, get a taste of Norway's coastal cuisine in the ship's three restaurants and bar, and start to get to know your fellow passengers.

You'll have time to simply watch Norway's spectacular southern coast glide by. Take it all in from the expansive Observation Deck, from the comfort of your ship's two-storey lounge and bar, or as you sweat it out in the panoramic sauna.

As well as the views, this stretch of coast is home to more than its fair share of enthralling stories. Find out more about Norway's coast and the voyage ahead in the lectures, presentations, and onboard activities planned for today.

DAY 3 Fjord views and city culture

Stavanger

Today, you'll wake to views of the beautiful Lysefjord. The 42-km-long fjord is home to one of Norway's most famous sights: Preikestolen (The Pulpit Rock), which towers 604 metres above the fjord's shimmering waters.

Kjerag mountain, at the end of the fjord, reaches even higher. Along the way, watch for mountain goats, waterfalls, and the famous Kjeragbolten, a glacial boulder wedged high up in a crevasse.

You'll spend much of the rest of the day in Stavanger, a colourful waterside city with an international ambience and a lively cultural scene. Discover the architectural relics of Gamle (Old) Stavanger, which includes Northern Europe's best-preserved collection of wooden houses, and Norway's oldest cathedral, dating from the 12th century.

You can also visit the Norwegian Petroleum Museum, pop into a local boutique shop, or simply enjoy a beer on the waterfront.

DAY 4 A picturesque town

Ålesund

After breakfast on the ship, we'll dock at a town that spreads out across a string of islands.

Many of the buildings here, from the bright colours to the rounded spires, were inspired by the Art Nouveau style, which was popular in the early 1900s. You can get impressive photos of the archipelago from the nearby Mount Aksla viewpoint.

You can also visit the Atlantic Sea Park, Norway's first marine science centre. This is one of Northern Europe's largest saltwater aquariums, providing a home to seals, otters, and crabs, as well as many other kinds of marine life. You can even see Humboldt Penguins here, a species otherwise absent north of the equator.

Join an optional excursion to explore Ålesund on foot or by bus, as your guide reveals the town's surprising secrets to you.

DAY 5 An ancient fishing town

Rørvik - surrounded by thousands of islands

The cosy fishing port of Rørvik in the picturesque Vikna archipelago may look small but it has a huge history that is told

through both the landscape and the town's collection of museums.

Here, you can join an optional excursion and time travel through the last 10,000 years and get a glimpse of the future, thanks to the Ice Age-carved landscape, carefully preserved 19th-century living rooms, and the ingenuity of Norwegian salmon production - each preserved and explained in three excellent museums.

In the afternoon, we'll continue sailing north through the Vikna archipelago made up of 6,000 islands, islets and reefs. The local gardens bloom with plum and apple blossoms in the spring, even at 65°N, thanks to the maritime climate.

As we sail through the night, we'll leave the Helgeland coast behind us as we cross the Arctic Circle.

DAY 6 Lofoten islands and our historic birthplace

Svolvaer - at the heart of Lofoten, Stokmarknes - the birthplace of Hurtigruten

On the penultimate day of your voyage, we explore Lofoten. As soon as you see the towering peaks with fishing villages clinging to their sides, you'll understand why this island chain is praised as one of Norway's most stunning locations.

We'll dock in the town of Svolvaer mid-morning. Located on the island of Austvagøya in the heart of Lofoten, Svolvaer is the biggest town of the archipelago, humming with shops, restaurants, galleries, and cafes to enjoy. You can also admire views of the Svolvaer Goat, a nearby mountain named for resembling a goat and its horns.

A variety of optional excursions are available from Svolvaer, including winter fishing, paddling along the coastline in a kayak, or embarking on a bus tour to learn more about Lofoten's history.

We can't visit the area without spending a couple of hours in Stokmarknes. It was here that the Original Coastal Express was founded in 1893 by shipping pioneer Richard With. On the waterfront, you'll find our 1956 ship MS Finnmarken, encased in the Hurtigruten Museum's glass building like a ship in a bottle.

DAY 7 The gateway to the Arctic

Tromsø - gateway to the Arctic

We sail into Tromsø mid-morning. This urban city 350 km north of the Arctic Circle is a great place to disembark. It buzzes with life, with everything from trendy restaurants and cafes to boutique shops selling local crafts and produce, and even high fashion. If you can, give yourself time to explore Tromsø before you go home.

You've sailed on The North Cape Line, getting to know Norway's coastal cities and villages all the way from its capital to deep inside the Arctic Circle. During the journey, you'll have experienced Norway's varied climate, seen majestic mountains and fjords, and maybe gazed up in awe at the Northern Lights once or several times.

We hope you'll cherish each of the memories of The North Cape Line that you'll take home with you. Come sail with us again

soon, on another iconic voyage of our spectacular home: the Norwegian coast.

DAY 8 Adventures in Finland

Today's Arctic experience depends on the season.

October and November departures

During early winter, deep snow makes access to the three-country border challenging. Instead, visit a traditional Sami reindeer farm in Kilpisjarvi. The Tornensis family, among the region's oldest reindeer herding families, welcome guests to learn about their centuries-old way of life.

Meet the reindeer in their corral, including young animals in training and experienced sled reindeer. Feed them their favourite lichen and capture memorable photos before gathering inside a cosy log cabin. Around the open fire, enjoy homemade biscuits and warm berry juice while listening to stories about Sami culture and Arctic life. The experience also includes a tasting of grilled reindeer meat.

December departure

From true winter onwards, we instead set out on the popular Border of Three Countries 'safari'. Travel by snowmobile or sleigh across a frozen lake and through snowy birch forest to Koltavuoma, where the distinctive yellow border cairn marks the meeting point of Finland, Sweden and Norway. Covering approximately 30km in around three hours, this guided adventure allows you to stand in three countries within moments. Thermal clothing, guiding, photos and a warm drink with pastry are included.

The afternoon is at leisure to explore the surrounding Arctic landscape. In the evening, enjoy dinner at the hotel before heading out with the tour manager in search of the Northern Lights, weather permitting.

DAY 9 The Northern Lights village

After breakfast, continue southeast by private coach, following the Swedish-Finnish border through remote Arctic landscapes to Muonio and onward to Levi. Here, you'll spend two magical nights in a private Aurora Cabin, also known as a glass igloo. Set just outside the small ski resort village and far from light pollution, your accommodation offers the rare chance to watch the Northern Lights from the comfort of your own bed, weather permitting of course. After check-in, enjoy dinner in the hotel restaurant before heading out on an Aurora Hunting safari by bus. Travelling north toward Jerisjarvi or the Ounasjoki River, your route is chosen according to where conditions are most favourable for aurora activity that night. Stops are made along the way for photographs before continuing to the shores of Lake Äkaslompolo, where you'll experience the Arctic night in serene surroundings. On especially calm evenings, you may even hear the faint whisper of the Aurora. Please note: The Northern Lights are a natural phenomenon and sightings cannot be guaranteed.

DAY 10 Riding with huskies

Today is a day you've probably been anticipating for a while, and it's dedicated to the region's most enthusiastic residents - the huskies. On warmer days above approximately 7°C, the dogs cannot run and the experience becomes a farm visit only. The remainder of the day is at leisure. Optional reindeer or snowmobile safaris may be available, depending on the conditions. Dinner is served at the hotel restaurant. Late November - April departures19/11/27 and 03/12/27In true winter until early spring, we'll set out on a traditional 5km husky sleigh safari through Levi's snow-filled forests. Each two-person sled is driven by one guest, offering a hands-on Arctic experience as your team glides across frozen trails. The remainder of the day is free to relax or join optional Arctic activities such as reindeer or snowmobile safaris, weather permitting. Dinner is served at the hotel restaurant.

DAY 11 Icebreaker adventure

This morning, we'll travel south by private coach from Levi toward Bothnian Bay and the coastal town of Kemi, passing through Arctic landscapes along the way. A short stop in Rovaniemi may be made if time allows. Tonight, you'll stay at the remarkable Seaside Glass Villas at Experience 365, set on the frozen coastline.
