

IN SHACKLETON'S FOOTSTEPS - ANTARCTICA & SOUTH GEORGIA ADVENTURE

Follow in the wake of one of history's greatest explorers on this extraordinary voyage. Drink in the incredible endless icy wilderness of the Antarctic Peninsula, just as Ernest Shackleton and his crew would have done as they commenced their quest to cross the South Pole. Step ashore on Elephant Island, where the men would survive two Antarctic winters. Along the way, observe the penguins, seals, whales and seabirds that, unlike Shackleton's ship, *Endurance*, have no issues thriving in this formidable environment. Before crossing the infamous Drake Passage back to Ushuaia, stop at the Falkland Islands, a haven for a host of endemic birdlife, and meet the proud, resilient locals.

ITINERARY

DAY 1 PRE CRUISE

One night pre-cruise accommodation with breakfast in a 4/5-star hotel in Buenos Aires

DAY 2 USHUAIA

Nestled in the foothills of the snow-capped Martial Range, Ushuaia's colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. As one of the world's southernmost cities, Ushuaia carries its 'end of the world' reputation well. The moody weather and dramatic surroundings certainly help. Board your boutique ship before departing for your journey through one of the most captivating wilderness regions of the world.

DAY 3 DAY AT SEA

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

DAY 4 WEST POINT ISLAND & SAUNDERS ISLAND

Birdlife is the big draw on this lush sheep-farming island, where thousands of rams and ewes roam. Settled by British explorers in 1765, the island's unique scenery includes the beaches at The Neck filled with the cacophony of rockhopper, gentoo and king penguin colonies, and you might spot the pillar-shaped nests of black-browed albatross. Nine of the Falklands' 14 endemic plants, including silvery buttercup and hairy daisy, grow here and are a real treat.

Black-browed albatross soar above this rugged weather-beaten island in the west of the Falklands, while Commerson's dolphins swim below. With a sparse population of people and sheep, this inhabited island is also home to fur seals, burrowing rockhopper penguins, magellanic penguins and imperial cormorants who roost in the jagged cliffs and the striking Cliff Mountain towering above the dramatic coastal scenery. As you hike across the moss, keep an eye open for pink-petalled Felton's flowers.

DAY 5 PORT STANLEY

Anyone familiar with Britain's trademark red post boxes might spot a resemblance in this British outpost. Port Stanley, on East Falkland, is the tiny capital of the Falkland Islands and is small enough to get around on foot. You can visit The Historic Dockyard Museum devoted to maritime history and exploration or pop into the post office. Magellanic penguins gather in hordes at nearby Gypsy Cove, and sea lions and dolphins frolic in the harbour.

DAYS 6-7 DAY AT SEA

Days at sea are the perfect chance to relax, unwind and do whatever takes your fancy. So whether that is going to the gym, visiting the spa, trying to spot a whale from the deck, reading a chapter or two, or simply topping up your tan, these blue sea days are the perfect balance to the green days spent exploring on land.

DAYS 8-10 SOUTH GEORGIA

Often called the "Galapagos of the Poles", South Georgia has a number of landing sites where you get up close to half a million king penguins or three million breeding pairs of macaroni penguins, making up the largest population in the world. If you are lucky you will also see harrumphing elephant seals - from a distance! We also visit Grytviken, the historic whaling station where legendary British explorer Ernest Shackleton (1874-1922) is buried.

DAYS 11-12 DAY AT SEA

Today as you sail, you'll bask in the endless comforts of your ship. From the deck, marvel at the dramatic sea views. Relax with a nurturing facial treatment or massage in the spa or delve into the ship's learning resources. Or, simply take refuge in your cabin and enjoy the opportunity to rest.

DAY 13-16 ANTARCTIC PENINSULA

Among captivating glaciers, majestic icebergs and snowy islands, the Antarctic Peninsula is where most visitors to the White Continent will live out their Antarctica dream. The Antarctic Peninsula, the most accessible area of the continent, hosts several scientific bases and some of the most interesting wildlife scenery, such as the extremely photogenic Lemaire Channel. Shore excursions might include Petermann Island, where among Adelie penguins, blue-eyed shags and skuas, huge, lumbering elephant seals haul out.

DAY 17-18 DAY AT SEA

Spend your day at sea enjoying your boutique 5-star ship. Treat yourself to a spa day, attend an expert-led onboard lecture or enjoy the ocean views from the deck or the comfort of our Observation Lounge.

DAY 19 USHUAIA

Ushuaia is the gateway to the White Continent. Found at the southernmost tip of South America in Argentinian Patagonia, the city is often described as "the End of the World". The city's mountain backdrop rises above the harbour and entrance to the Beagle Channel. The town itself is walkable and has a few small museums as well as pubs, restaurants and cafes - a good place to try Patagonian lamb cooked over open fire pits.

To ensure ease of movement on the ship, wheelchairs and mobility aids must be no wider than 65cm. All mobility or medical equipment brought on board must be capable of being carried safely and must be declared before sailing. To ensure that all guests can safely evacuate during an emergency, guests requiring a wheelchair can only be accommodated in our ADA-accessible cabins. We offer an Oceanview and a Balcony stateroom on Diana. These staterooms are specifically designed to be completely ADA compliant and have a fully operable wheelchair-access wet unit. Diana has two lifts, serving every passenger deck apart from the Stargazing top deck, which is, therefore, more difficult to access, as are the Aft Marina and

Swan's Nest forward observation platform. Also, we don't have special equipment to access the swimming pool, jacuzzi, or sauna. Otherwise, the ship is entirely at your disposal. Many of the expeditions ashore in remote places are by Zodiac. Boarding these boats and returning aboard can present challenges for wheelchair users, as can navigating uneven terrain. These challenges are by no means always insurmountable, though, and our highly experienced crew is trained to provide reliable advice and assistance. They will make every effort to ensure wheelchair-using guests enjoy a memorable experience at each destination. Our general guidance, however, is to recommend wheelchair users travel with a companion for their ease and enjoyment. If you prefer to remain aboard, our panoramic interiors and ample open decks ensure an immersive, intimate experience of your inspiring

surroundings.
