## SOUTHEAST ALASKA ADVENTURE

Experience the awe-inspiring wildlife and scenery that make Alaska one of the most beautiful cruise regions in the world. In Juneau, learn about its colorful history and admire the wonders of nature as you view the majestic Mendenhall Glacier. Visit the Gold Rush town of Skagway known as “The Gateway to the Yukon,” before arriving in Haines where bald eagles soar high for all to enjoy. American Cruise Lines is one of the select few cruise lines permitted into Glacier Bay, giving you unprecedented access to the National Park to observe seals, whales, and bears in their natural habitat. Cruise under Tracy Arm's 1,500 foot high vertical cliffs and be amazed their beauty and grandeur.

Known as the “Gateway to the Yukon,” Skagway was central to the Klondike Gold Rush of 1897. The restored town is true to its past with period architecture, performers, and old street cars to relive the experience of the frontier.

### Day 3 Haines, AK

Bald eagles are among the most populous of over 260 species of birds in Chilkat Valley. Our onboard expert and a local guide will take you through the valley pointing out all the different species along the way. We have an extended stay in Haines to let you do a variety of things, including kayaking on Chilkoot Lake, or an afternoon of salmon fishing on a charter boat.

### Day 4 Glacier Bay, AK

Covering 3.3 million acres of dynamic topography, Glacier Bay is the world’s largest biosphere. It includes glaciers, temperate rainforest, and snow-capped mountain peaks. During the day you will see seals, whales, eagles, and bears, as well as massive glaciers.

### Day 5 Kake, AK

Just 38 miles northwest of Petersburg in the Inside Passage is the beachfront village of Kake. This small community of 500 is home to the Kake tribe, a proud people who have frequently defended their land against other tribes and early American explorers. The waters around Kake are well-known among seasoned anglers and boast a healthy population of halibut and salmon.

### Day 6 Petersburg, AK

Located on Frederick Sound, Petersburg is a thriving fishing community with a strong Norwegian heritage. This charming village offers a relaxed atmosphere while exploring an authentic

Alaskan town.

### Day 7 Tracy Arm, AK / Sawyer Glacier

Sail under the 1,500-foot-high vertical cliffs of Tracy Arm as seals lounge on small ice floes before reaching the mile wide South Sawyer Glacier. Hundreds of waterfalls cascade down the sides of this fjord, creating a majestic atmosphere.
