Star Clipper is a true clipper ship, reflecting her proud heritage in every inch of the polished brass and gleaming brightwork that graces her decks and superstructure. Step aboard this striking vessel and you'll be greeted by a new generation of sailing culture. Here, the grand traditions of the past, which characterise what sailing is all about, exist alongside the comforts and amenities found on the contemporary cruise liners of today. Star Clipper is a modern ship through and through, welcoming luxury-loving passengers from all over the world who hold the legacy and customs of the grand era close to their hearts yet yearn for a new and exciting adventure. Life aboard is very relaxed, much like travelling on a private yacht. You'll never feel restricted or disorientated as the staff work tirelessly to meet your needs and make you feel comfortable. Accommodation There are six categories of generous staterooms; giving you plenty of choice when deciding which one suits you best, whilst the expansive decks give the whole ship an uncluttered feel. In fact, you'll find that, due to the small number of passengers on board and the spacious surroundings, Star Clipper offers more outdoor space

per person than most conventional cruise ships. The interior design of Star Clipper again harks back to nautical days gone by. Famous sailing ships are remembered in paintings that are hung on the walls, while teak and lustrous mahogany rails are richly reminiscent of Star Clippers' proud maritime heritage. She has an exquisite dining room, in which you can eat when and where you like, and a convivial indoor-outdoor Tropical Bar and Piano Bar, multiple swimming pools, and an Edwardian style library where a Belle Époque fireplace glows with a warmth that reflects the friendliness and enthusiasm of Star Clippers' hospitable

officers and crew.
