ITINERARY

DAY 1 PRE CRUISE

DAY 2 HALIFAX, NS

Nova Scotia's lively capital is rich in nautical history and charm. Its seafaring stories can be discovered in the maritime museums, fortresses and bunkers that are peppered throughout the city. There is also an interesting counterculture contingent here, with striking public art and quirky shops on every other corner. Halifax is also home to plenty of fantastic seafood options, from street vendors to fine dining restaurants. The surrounding shorelines are beautiful and also worth exploring. Peggy's Cove, with its picturesque lighthouse, is a favourite spot.

DAY 3 DAY AT SEA

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the

opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

DAY 4 ST. JOHN'S, NL

St. John's is the capital city of Newfoundland and Labrador, Canada. It is located at the beginning of the Trans-Canada Highway and is the most easterly city in North America. The city is known for its beautiful architecture, rich history, and vibrant culture.

DAY 5 L'ANSE AUX MEADOWS, NL

The 1,000-year-old Norse settlement at L'Anse aux Meadows (Meadows Cove) on the northernmost tip of Newfoundland is the first and only authenticated Viking site in the Americas, believed to have been occupied by Leif Erikson, the first European to explore the east coast of Canada in around 1021. Discover some of the 800 original Norse artefacts and eight sod houses found here on a tour of the recreated village, now a UNESCO World Heritage Site.

DAY 6 DAY AT SEA

Days at sea are the perfect chance to relax, unwind and do whatever takes your fancy. So whether that is going to the gym, visiting the spa, trying to spot a whale from the deck, reading a chapter or two, or simply topping up your tan, these blue sea days are the perfect balance to the green days spent exploring on land.

DAY 7 QAQORTOQ

Qaqortoq is the largest city in South Greenland and the perfect base to explore the Norse (Viking) ruins encompassed by the extensive UNESCO-listed Kujataa World Heritage Site. The town is home to the oldest fountain in Greenland; completed in 1932, it depicts whales spouting water out of their blowholes.

DAY 8 NARSARSUAQ

Narsarsuaq is a small town in a large flat area near the head of the Tunulliarfik Fjord (Skovfjorden). Visitors can easily access the Greenland Ice Sheet, Erik the Red's historical Norse settlement, and other UNESCO World Heritage sites.

DAY 9 AAPPILATTOQ

The small, colourful and pretty Nordic homes of Aappilattoq, the only settlement in Prins Christian Sund, stand stark against snow-tipped mountain ridges in this icy wilderness.

DAY 10 CRUISE PRINS CHRISTIAN SUND & SKJOLDUNGEN

A beautifully dramatic fjord in the south of Greenland, in Prins Christian Sund we move among fin, blue and minke whales, while you may also see muskox, polar bears and bearded seals. Enjoy these unspoilt, picturesque waterways where magnificent glaciers tower and granite cliffs yield to crystal-clear waterfalls. On the craggy east coast of Greenland, the stunningly scenic, U-shaped Skjoldungen Fjord is surrounded by lofty snow-capped mountains, dwarf birch, Arctic wildflowers and willow forests with the Thrym Glacier at one end. High rock walls, serpentine rivers and large crevasses of ice pillars known as seracs give way to carved icebergs in the fjord that gleam in a white to blue spectrum. You also have the opportunity to see whales under pure blue skies.

Today as you sail, you'll bask in the endless comforts of your ship. From the deck, marvel at the dramatic sea views. Relax with a nurturing facial treatment or massage in the spa or delve into the ship's learning resources. Or, simply take refuge in your cabin and enjoy the opportunity to rest.

DAY 12 PATREKSFJÖRÐUR

The largest town in the southern part of Iceland's striking Westfjords region, Patreksfjörður was a pioneering force in Iceland's fishing industry. Today commercial fishing remains the town's primary industry. One of Patreksfjörður's main draws is the nearby Látrabjarg Cliff. This stunning slice of coastline is Europe's largest bird cliff, as well as being the continent's most western point. One of the world's best seabird watching spots, this place is a must-see for keen ornithologists. Látrabjarg Cliff is also the perfect place to capture that iconic puffin photo. The puffins here are protected and have little reason to fear humans, allowing for some excellent photo opportunities.

DAY 13 REYKJAVIK

Your cruise ends in Reykjavík. Make sure there is sufficient time before you begin your journey home to explore this diminutive but dramatic capital city. Despite its small size, you won't be short of things to see and do. To get your bearings, take the elevator to the top of Hallgrímskirkja. This church, designed by famed Icelandic architect Guðjón Samuelsson is one of the most distinctive buildings in town. When you return to earth, visit the city's other renowned building Harpa Concert Hall, located at the heart of Reykjavík's regenerated harbour – also the home of the Maritime Museum. Speaking of cultural spaces, tour the National Museum to learn the story of Iceland from past to present. The Reykjavík Art Museum houses an impressive contemporary collection including eye-catching pieces by Erró.

And, of course, just 50 kilometres outside the city lies Thingvellir National Park, the site of Iceland's original Viking parliament.
