Day 1 (2027) - TROGIR – VIS/KOMIZA (L)

Check-in from 11:00 in Trogir. Departure at 13:00 followed by lunch on board and a refreshing swim stop in a secluded bay. Continue towards the island of Vis, once a strategic harbour for the Yugoslav navy and closed to the public for decades. Thanks to that isolation, Vis kept the rare charm of "the Mediterranean as it once was." Overnight will be in Vis or Komiža (depending on berth availability). Vis sits on the northern side of the island, developed near the remains of ancient Issa, the first urban centre in Croatia. If you feel like exploring, visit the Roman Thermal Baths and the City Museum, or enjoy a walk along the waterfront with views of the villae rusticae scattered along the shore. For travellers who want to see more, renting a car or scooter is an easy way to discover the rest of this surprisingly wild island.

Day 2 (2026) - MAKARSKA - BOL (BRA) - STARI GRAD (B, L)

In the morning, cruise towards the next destination - the island of Brac, more precisely to the town of Bol, known for its famous Zlatni Rat beach, a natural phenomenon that dominates the other beaches with its specific form. After a swimming break at the horn and lunch, we continue our journey towards Stari Grad on the Hvar island, the sunniest Adriatic island. Free afternoon to explore this unique town. The famous Stari Grad Field is the oldest in Croatia and the best-preserved example of an ancient Greek system of agriculture. Together with the old town, it is a part of world heritage protected by UNESCO. Overnight in one of the ports of Stari Grad, main or ferry port (2 km away) depending on availability in port.
