many historical buildings, like the Foscolo palace (gothic style) or St. Laurent church in baroque style. We will spend the night in a popular lively resort town Vodice. Here one can enjoy the beautiful terraces of local restaurants and cafes or simply walk along wonderful beaches of this typical Dalmatian town.

Today we visit the region of the famous National Park Kornati - rich in fish and cultural and historic remains. Historic remains of old Ilyrian fortress, Roman villas, old Christian church of St. Mary and medieval fortresses and settlements add to the value of these islands. Kornati consists of 140 islands and reefs. Inlets of some islands descend steeply into the sea, a hundred meters deep in places, and dramatically razor sharp. It is truly something remarkable to see (Kornati entrance fee to be paid on the spot approx.. 4 EUR per person). Overnight in Sali on Long Island (Dugi Otok).

Day 4 - Tuesday SALI - ZADAR

Morning reserved for swimming. Departure for Zadar in the afternoon where we spend the night in the port. Here you have a possibility to join guided tour of the city with English speaking guide. For centuries the metropolis of Dalmatia, and today the centre of the region, Zadar has been a city rich in monumental heritage of world importance visible at every step even today: the Roman forum dated to the 1st century AD, the church of St. Donatus dated to the 9th century AD - the most famous Medieval basilica and the symbol of the city, the mighty city walls with representative Port and Land gates from the 16th century AD, and numerous palaces, villas and other monumental heritage. The town is full of great restaurants packed in the center and already mentioned historical monuments that can be found in and around the city - of special

interest is the famous Zadar Sea Organ and "The Greeting to the Sun" light installation.

Day 6 - Thursday ZLARIN - TROGIR

Depart after breakfast with a swimming stop in one of the bays. After lunch cruise to the old Dalmatian town, Trogir (Greek relief from 4th century was found here). Trogir is sometimes referred to as "miniature Venice" or a floating museum town - as it has a masterful architecture.
