

THREE ARCTIC ISLANDS: ICELAND, GREENLAND, SPITSBERGEN

Named one of National Geographic Traveler's 50 Tours of a Lifetime, this unforgettable voyage begins above the Arctic Circle at Spitsbergen, the "wildlife capital of the Arctic," ventures to the spectacular, remote landscape of East Greenland, and ends in Iceland. In Spitsbergen, you'll visit spectacular glacier fronts, steep-walled fjords and wind-swept tundra, where wildlife sightings include walrus, polar bears, Svalbard reindeer and thousands of birds. During your tour of Greenland's remote eastern coast, you'll explore the remains of ancient Thule settlements and keep an eye out for grazing muskoxen--40 percent of the world's muskoxen population lives here. The towering cliffs, massive glaciers, rugged fjords and vast swaths of untouched tundra in these breathtaking environments will provide sights, sounds and scenes you've never experienced, permanently transforming your connection to the planet we call home. Explore the amazing Arctic, immerse yourself in the beauty and fragility of a wondrous region, and return with unique memories that will last a lifetime.

ITINERARY

Day 1 Arrive in Reykjavik, Iceland

Your Arctic expedition begins in Reykjavik. Arrive in the Icelandic capital in the morning and make your way to your included hotel. You will have the day to explore the city on your own.

Day 2 Embarkation Day

This afternoon, you'll board your vessel and begin your expedition. Get ready for a great adventure ahead!

Days 3 and 4 Cruising

While sailing north through the Denmark Strait, your Expedition Team will teach you about the wildlife and history of Greenland, your next stop. You'll learn about the history of exploration in the Arctic, as well as glaciology. You'll also learn about the incredible sights, geology and ecology you will soon explore.

Days 5 to 8 Exploring East Greenland

During your tour of Greenland's remote eastern coast, you'll enjoy Zodiac cruises and shore visits to several locations. Explore the remains of ancient Thule settlements and keep an eye out for grazing muskoxen -- 40 percent of the world's muskoxen population lives here. If conditions allow, you may also visit Ittoqqortoormiit, the most remote community in East Greenland.

Days 9 and 10 Cruising

As we continue to sail north, the Greenland Sea is your pathway toward Svalbard. On deck, you'll learn to identify seabirds "on the wing." Take in a presentation, share your photos, sip an icy cocktail in the bar or watch a film--there are many things to do

during your time at sea.

Days 11 to 14 Exploring Spitsbergen, Norway

Exploring Spitsbergen, the largest island of the Norwegian Svalbard archipelago, rewards you with austere beauty and opportunities to spot its abundant wildlife. Here, you'll visit spectacular glacier fronts and tundra in full bloom, with walrus, polar bears and Svalbard reindeer amongst your possible wildlife sightings. Birders will be thrilled to see Arctic terns, skuas, and Brunnich's guillemots.

Day 15 Disembark in Longyearbyen & Fly to Helsinki, Finland

The time to say goodbye has come. Your adventure ends in the frontier-style settlement of Longyearbyen. From here, we'll transfer you to the airport for your return group charter flight to Helsinki, included in the transfer package.

Please Note:

Embracing the unexpected is part of the legacy--and excitement--of expedition travel. When traveling in extremely remote regions, your expedition staff must allow the sea, the ice and the weather to guide route and itinerary details. This itinerary is a tentative outline of what you'll experience on this voyage; please be aware that no specific itinerary can be guaranteed.

The 118-passenger Ocean Adventurer, (formerly the Sea Adventurer) is among the very few vessels in the world specifically constructed for expedition voyages to the remote polar regions. Her ice-strengthened hull permits her to glide easily and safely through ice-strewn waters that are not accessible to conventional cruise vessels. She has advanced communications and navigation equipment, and newly installed, state-of-the-art Sperry Gyrofin stabilizers. In 1998 the Adventurer had a \$13 million conversion done in Scandinavia. She is a handsome expedition vessel, done in the style of great ocean liners when ships were ships. With lots of varnished wood, brass, and wooden decks, the ship has all new outside cabins, with lower beds and private facilities. There is a Main Lounge, bar, Clipper Club, library/card room, gymnasium and gift shop. A multi-national staff serves American and Continental cuisine. The ship has a fleet of 10 Zodiacs and a special loading platform.
