

TROMSO, BEAR ISLAND & SVALBARD - 6 DAY CRUISE

This 5-night Arctic journey explores some of the region's most remote and striking frontiers. Glide past calving glaciers where bearded seals rest on drifting ice, and visit Bear Island - a sanctuary for puffins, guillemots, and fulmars. On Reinøya, discover traces of Sami heritage amid raised beaches and dramatic geological formations, while other coastal areas reveal fishing villages and bird cliffs alive with reindeer, gannets, and kittiwakes. Every landing and tender excursion offers an intimate perspective of the Arctic's raw beauty, from towering cliffs and pristine tundra to the bustling seabird colonies that define this wild and extraordinary environment.

In the afternoon, we continue to Skarsvag, one of Europe's northernmost villages, where wild reindeer wander past clusters of colorful houses.
