DAY 3: Bay of Islands

The Bay of Islands is an area encompassing more than 140 subtropical islands, boasting an abundance of wildlife and fascinating history. DAY 5: Norfolk Island, Australia

Explore Norfolk Island, discovered by Captain Cook in 1774. Covered in dense forests of pines, it was initially valued as a ready source of shipbuilding lumber. Later, it became a British penal colony and then a settlement for Pitcairn Islanders, who themselves were descendants of the mutineers from the famous Bounty. Explore the ruins of the prison and enjoy walking around the main settlement at Burnt Pine. Later, take a long nature hike in Norfolk National Park to look for the endemic tree ferns and land birds. As we depart, look for large groups of seabirds alongside the dramatic island scenery. (B,L,D)

DAY 7: Isle of Pines, New Caledonia

Swim or snorkel in the beautiful Oro Natural Pool or walk through a beautiful rainforest to the site of Queen Hortense's Cave, filled with limestone features and a variety of tropical vegetation. DAY 9: Ambrym

Ambrym is known for its active volcanoes, blacksand beaches, and mystery and magic. Arrive ashore to witness the striking Rom dance, traditionally a secret event. Involving incredible masks and elaborate outfits that represent spirits, this is a cultural experience specific only to this island. (B,L,D)

Take a walk through the village with the locals and see a display of their fantastic fishing canoes. Take a Zodiac ride along the shores, lined with dense mangroves and boasting a variety of wildlife. (B,L,D)

On the tiny isle of Owaraha (formerly known as Santa Ana), we're greeted with a traditional dance performed by villagers in elaborate costumes, body paint, and masks.
